

Name of Student:

Name of Service Animal that will be on campus:

Type of animal:

What work or task has the animal been trained to perform? (please describe in detail the work the animal will initiate)

I understand that I am responsible for cleaning up for my service animal on all Cornell property. I understand that if my service animal defecates or urinates in a Cornell building it may be prohibited from returning to the interior of buildings on campus.

I understand that my service animal must be under control at all times. This means the animal will sit or lie quietly while inside buildings and will not solicit attention from or approach other students or faculty or staff. If the animal is not under control or acts in disruptive or dangerous way, the animal may be asked to not return to Cornell buildings.

My dog has a Mount Vernon dog license.
