

Dimensions is currently recruiting for a paid, summer 2016 internship at the ThedaCare Center for Healthcare Value in Appleton, Wisconsin. The internship is open to students in all majors, but is designed for students interested in healthcare, particularly in the areas of healthcare policy, administration, and delivery.

Please contact the Faculty Director of Dimensions (Jai Shanata) if you have any questions about the internship or application process. Internship and application details appear below.

Employer	ThedaCare Center for Healthcare Value
Job Title	ThedaCare Intern
Description	<p>The ThedaCare Center for Healthcare Value is a non-profit organization that strives to create a healthcare marketplace rewarding providers for delivering patient value. The three primary tools for healthcare delivery transformation are payment based upon outcomes, transparency of treatment quality and cost, and care delivery that is patient-centered. Cornell alumnus, John Toussaint, M.D. ('78) is CEO emeritus of ThedaCare and CEO of the ThedaCare Center for Healthcare Value. The intern will be assigned projects that help advance the Center's mission.</p> <p><a href="http://createvalue.org/">http://createvalue.org/</a></p>
Application	<p>Submit a resume, one-page personal statement describing motivation and qualifications for the internship, and an unofficial Cornell transcript to the Associate Director of Dimensions.</p> <p>Students must also submit a Cornell faculty letter of recommendation as part of the application process. The letter writer must submit the letter directly to the Faculty Director of Dimensions via email rather than providing it to the student for delivery.</p> <p><i>It is advised that you work with the Writing Studio before submitting your personal statement. Please make an appointment with the Career and Civic Engagement Center to receive feedback on your resume before submitting.</i></p>
Application Deadline	Friday, March 18th
Location	Appleton, WI
Compensation	\$15/hour. The intern may be required to travel and attend professional development activities. Such travel costs, including airfare and hotel expenses, will be funded by the ThedaCare Center.
Housing	Student must locate own housing and transportation to and from ThedaCare, and fund housing expenses with the internship salary.
Duration	Mid-May through Mid-June. Start and end dates are negotiable based on applicant living arrangements.
