Mock Evaluation of Student Teachers on the Iowa Teaching Standards

House File 549 (Spring 2003) mandated that Iowa's Teacher Preparation Programs provide a student experience that includes opportunities for the student teacher to become knowledgeable about the Iowa teaching standards, including a mock evaluation performed by the mentor teacher. The mock evaluation shall not be used as an assessment tool by the practitioner preparation program. The mock evaluation does not require that the evaluator be state evaluator approved or that the student teacher provide documentation to support competence. The mock evaluation can be found on page 5 of the mentor teacher handbook.
