

**Application for Environmental Studies Cargill Fund Support for ENV Capstone  
Research**

February 17, 2017

*Please open this file in Word, complete, and return to ENV program chair, Rhawn Denniston, by October 1 for capstones occurring from November 1-March 31, or by March 15 for capstones occurring from April 1-October 31. Proposals will be considered by the ENV Committee on case-by-case basis. Funding received for projects in previous years does not impact the likelihood of funding in this round.*

*You are strongly encouraged to carefully work through all educational and logistical aspects of your capstone and to consult closely with your capstone advisor before submitting this proposal.*

- 1. Attach your Cornell transcript to this application.**
- 2. Your capstone advisor must submit a letter of recommendation on your behalf directly to ENV chair, Rhawn Denniston, prior to the application deadline.**
- 3. Your name:**
- 4. Anticipated year of graduation:**
- 5. Title of ENV concentration:**
- 6. Five classes used to define your concentration (underline those classes you have not yet taken):**
- 7. Overall ENV GPA (include both required courses and courses used in your concentration):**
- 8. College GPA:**
- 9. Attach a description of your capstone project, including a narrative that addresses both how it provides an appropriate final component to your concentration as listed above and how it will advance your academic and career goals.**
- 10. Amount of Cargill support requested:**
- 11. List of other sources of support you have solicited for funding, and the funding you have received.**
- 12. Attach an itemized and justified budget for your capstone project, including a rationale for each item.**

**13. Amount of Cargill support requested:**

**14. Additional comments:**
