

2017-2018 Dependent Verification Worksheet

Your FAFSA was selected by the Department of Education for a process called "verification." In this process, we are required, by federal regulations, to compare the information reported on the FAFSA with the information provided on this form including copies of the student and parents' signed 2015 federal tax return. Your financial aid is not finalized until verification has been completed.

To complete the verification process, please follow these steps:

- 1. Provide student and parents' signed 2015 Federal Tax Return.
2. Complete all sections of this worksheet.
3. Return the completed form, tax returns, and any other documents to our office by person, mail, email or fax.
4. We will request additional information or make corrections to the FAFSA, if necessary.
