

## Areas that can benefit from your support

### Annual Fund

Unrestricted gifts to the Annual Fund are especially important to Cornell. They broaden the scope of program enrichment by enabling the college to provide funds where the need is greatest.

### Library

Gifts enable purchases of books, journals, various types of technology information resources, and the preservation of collections.

### Scholarships for Students

Support for student scholarships helps the college meet one of its most cherished responsibilities – to keep a Cornell education for students and families. Annual scholarships provide tuition assistance for students who demonstrate financial need.

### Departmental Operating Support (Budget Relieving)

### Golden Rams

Gifts support the hundreds of student athletes who participate on fifteen men's and women's sports teams.

## Giving Societies

### The Leadership Circle

Individuals who make annual outright, unrestricted gifts of \$10,000 or more to Cornell are members of the Leadership Circle. Members are more than extraordinary donors; they are true friends and partners with the college helping to chart its future with their guidance and support.

### The Presidents Society

With annual gifts of \$2,000 and above, the generosity of this select group enables Cornell to enhance the outstanding academic, leadership and service-learning experiences it offers to its students. **This can be accomplished with a payroll deduction of \$167 or more per month.**

Presidents Society	\$2,000 & above (\$167 per month)
