

Cornell College

Monthly Giving Program

Monthly Credit Card Gifts / Electronic Funds Transfer
Two convenient, economical and secure ways to support Cornell College.

A gift with greater impact

Your contribution is paid in installments, spread over a period of time making it easier to budget. There are no sign-up costs or monthly fees. In fact, you save money by eliminating check-writing charges and postage. This program also reduces the college's mailing and processing costs, meaning more of your gift will be used for its intended purpose.

Complete control

You are in complete control of your monthly gift. You may cancel or change the amount or designation at any time. Please notify the Cornell Advancement Office in writing and allow 15 days notice for the change or cancellation to take effect.

How Monthly Giving works

Your gift is automatically deducted from your checking account or credit card and transferred to Cornell once each month. The contributions will appear on your monthly bank or credit card statement and you will receive annual gift report from Cornell for tax purposes. For more information, please contact: Dustin Ross, Director of the Annual Fund, at 319-895-4445 or dross@cornellcollege.edu.
