SUMMARY PLAN DESCRIPTION

Cornell College
Employee Health Care Plan
Alliance Select SM
Blue Rx Complete SM

Cornell College

NOTICE
This group health plan is sponsored and funded by your employer or group sponsor. Your employer or group sponsor has a financial arrangement with Wellmark under which your employer or group sponsor is solely responsible for claim payment amounts for covered services provided to you. Wellmark provides administrative services and provider network access only and does not assume any financial risk or obligation for claim payment amounts.

About This Summary Plan Description

Important Information
This summary plan description describes your rights and responsibilities under your group health plan. You and your covered dependents have the right to request a copy of this summary plan description, at no cost to you, by contacting your employer or group sponsor.

Please note: Your employer or group sponsor has the authority to terminate, amend, or modify the coverage described in this summary plan description at any time. Any amendment or modification will be in writing and will be as binding as this summary plan description. If your contract is terminated, you may not receive benefits.

You should familiarize yourself with the entire summary plan description because it describes your benefits, payment obligations, provider networks, claim processes, and other rights and responsibilities.

This group health plan consists of medical benefits and prescription drug benefits. The medical benefits are called Alliance Select. The prescription drug benefits are called Blue Rx Complete. This summary plan description will indicate when the service, supply or drug is considered medical benefits or drug benefits by using sections, headings, and notes when necessary.

Charts
Some sections have charts, which provide a quick reference or summary but are not a complete description of all details about a topic. A particular chart may not describe some significant factors that would help determine your coverage, payments, or other responsibilities. It is important for you to look up details and not to rely only upon a chart. It is also important to follow any references to other parts of the summary plan description. (References tell you to “see” a section or subject heading, such as, “See Details – Covered and Not Covered.” References may also include a page number.)

Complete Information
Very often, complete information on a subject requires you to consult more than one section of the summary plan description. For instance, most information on coverage will be found in these sections:

- At a Glance – Covered and Not Covered
- Details – Covered and Not Covered
- General Conditions of Coverage, Exclusions, and Limitations

However, coverage might be affected also by your choice of provider (information in the Choosing a Provider section), certain notification requirements if applicable to your group health plan (the Notification Requirements and Care Coordination section), and considerations of eligibility (the Coverage Eligibility and Effective Date section).

Even if a service is listed as covered, benefits might not be available in certain situations, and even if a service is not specifically described as being excluded, it might not be covered.

Read Thoroughly
You can use your group health plan to the best advantage by learning how this document is organized and how sections are related to each other. And whenever you look up a particular topic, follow any references, and read thoroughly.
Your coverage includes many services, treatments, supplies, devices, and drugs. Throughout the summary plan description, the words services or supplies refer to any services, treatments, supplies, devices, or drugs, as applicable in the context, that may be used to diagnose or treat a condition.

Plan Description
Plan Name: Cornell College Employee Health Care Plan
Plan Sponsor: Cornell College
Employer ID Number: 42-0680335
Plan Number: 501
When Plan Year Ends: December 31
Participants of Plan: Eligible employees and their covered dependents.
See Coverage Eligibility and Effective Date later in this summary plan description.
Plan Administrator and Agent for Service of Legal Process: Cornell College
600 First Street Southwest
Mount Vernon, IA 52314-1098
Phone Number: 319-895-4243
Service of legal process may be made upon the plan administrator and/or agent.

How Plan Costs Are Funded: The Plan Sponsor and the employees pay the costs of this Plan.
Type of Plan: Group Health Plan
Type of Administration: Self-Funded
Benefits Administered by: Wellmark Blue Cross and Blue Shield of South Dakota
1331 Grand Avenue
Des Moines, IA 50309-2901

If this plan is maintained by two or more employers, you may write to the plan administrator for a complete list of the plan sponsors.

Grandfathered Health Plan Status
This group health plan was in effect on March 23, 2010 and is being categorized as a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the “Affordable Care Act”).

As permitted under the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when the law was enacted and does not have to include certain consumer protections that apply to non-grandfathered health plans, such as coverage of preventive health services without any cost-sharing obligation. (Certain other consumer protections such as the elimination of lifetime limits on benefits apply to all group health plans, regardless of their status as a grandfathered health plan.)

For questions regarding which consumer protections apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status contact your employer or group sponsor.

You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans.
Questions
If you have questions about your group health plan, or are unsure whether a particular service or supply is covered, call the Customer Service number on your ID card.
1. What You Pay

This section is intended to provide you with an overview of your payment obligations under this group health plan. This section is not intended to be and does not constitute a complete description of your payment obligations. To understand your complete payment obligations you must become familiar with this entire summary plan description, especially the Factors Affecting What You Pay and Choosing a Provider sections.

Provider Network

Under the medical benefits of this plan, your network of providers consists of PPO and Participating providers. All other providers are Out-of-Network Providers. Which provider type you choose will affect what you pay.

**PPO Providers.** These providers participate with Alliance Select or with a Blue Cross and/or Blue Shield PPO network in another state or service area. You typically pay the least for services received from these providers. Throughout this policy we refer to these providers as PPO Providers.

**Participating Providers.** These providers participate with a Blue Cross and/or Blue Shield network in another state or service area, but not with a PPO network. You typically pay more for services from these providers than for services from PPO Providers. Throughout this policy we refer to these providers as Participating Providers.

**Out-of-Network Providers.** Out-of-Network Providers do not participate with Wellmark or any other Blue Cross and/or Blue Shield Plan. You typically pay the most for services from these providers.

### Alliance Select

#### Payment Summary

This chart summarizes your payment responsibilities. It is only intended to provide you with an overview of your payment obligations. It is important that you read this entire section and not just rely on this chart for your payment obligations.

<td>For more information see Tiers, page 53.</td>
</tr>
</tbody>
</table>

†You pay the entire cost if you purchase a drug that is not on the Wellmark Blue Rx Complete Drug List. See Wellmark Blue Rx Complete Drug List, page 28.

### Prescription Maximums

Generally, there is a maximum days' supply of medication you may receive in a single prescription. However, exceptions may be made for certain prescriptions packaged in a dose exceeding the maximum days' supply covered under your Blue Rx Complete prescription drug benefits. To determine if this exception applies to your prescription, call the Customer Service number on your ID card.

Your payment obligations may be determined by the quantity of medication you purchase.

</table>
Payment Details

Alliance Select

Deductible
This is a fixed dollar amount you pay for covered services in a benefit year before medical benefits become available.

The family deductible amount is reached from amounts accumulated on behalf of any combination of covered family members.

Deductible amounts you pay for PPO or Participating and Out-of-Network provider services apply toward meeting both the PPO and the Participating/Out-of-Network deductibles. The maximum deductible amount you pay is the Participating/Out-of-Network deductible.

Once you meet the deductible, then coinsurance applies.

Deductible amounts you pay during the last three months of a benefit year carry over as credits to meet your deductible for the next benefit year. These credits do not apply toward your out-of-pocket maximum.

Deductible amounts are waived for some services. See Waived Payment Obligations later in this section.

Copayment
This is a fixed dollar amount that you pay each time you receive certain covered services.

Emergency Room Copayment.
The emergency room copayment:
- applies to emergency room services.
- is taken once per date of service.
- is waived if you are admitted as an inpatient of a facility immediately following emergency room services.

Office Visit Copayment.
The office visit copayment:
- applies to covered office services received from PPO practitioners.
- is taken once per practitioner per date of service.

Please note: For purposes of determining your copayment responsibility, PPO Providers are classified by Wellmark as either primary care practitioners or non-primary care practitioners. To determine whether the primary care practitioner copayment or the non-primary care practitioner copayment applies, you should call the Customer Service number on your ID card before receiving any services to determine whether your provider is classified by Wellmark as a primary care practitioner or a non-primary care practitioner for purposes of your copayment responsibility.

How providers are classified in the Wellmark Provider Directory does not determine whether a provider is a primary care practitioner or a non-primary care practitioner for purposes of your copayment responsibility. For example, a provider might be listed under multiple specialties in the provider directory, such as internal medicine and oncology, but would be classified by Wellmark as a primary care practitioner for purposes of your copayment responsibility.

A primary care practitioner is a PPO:
- advanced registered nurse practitioner (ARNP)
- family practitioner
- general practitioner
- internal medicine practitioner
- obstetrician/gynecologist
- pediatrician
- physician assistant (PA)
All other PPO practitioners are non-primary care practitioners. See Choosing a Provider, page 35.

The office visit copayment does not apply to:

- CT (computerized tomography).
- MRAs (magnetic resonance angiography).
- MRIs (magnetic resonance imaging).
- PET (positron emission tomography).
- sleep studies.
- ultrasounds.

These services are subject to deductible and coinsurance and not this copayment.

Related laboratory services received from a PPO independent lab are subject to deductible and coinsurance and not this copayment.

**Urgent Care Center Copayment.**

The urgent care center copayment:

- applies to covered urgent care services received from:
  - PPO Providers in Iowa or South Dakota classified by Wellmark as Urgent Care Centers.
  - PPO urgent care facilities or clinics outside of Iowa or South Dakota.
- is taken once per provider per date of service.

**Please note:** If you receive care at a facility in Iowa or South Dakota that is not classified by Wellmark as an Urgent Care Center, you may be responsible for your deductible and coinsurance (as applicable) instead of the urgent care center copayment. Therefore, before receiving any urgent care services, you should determine if the facility is classified by Wellmark as an Urgent Care Center. See the Wellmark Provider Directory at Wellmark.com or call the Customer Service number on your ID card to determine whether a facility is classified by Wellmark as an Urgent Care Center.

Copayment amount(s) are waived for some services. See Waived Payment Obligations later in this section.

**Coinsurance**

Coinsurance is an amount you pay for certain covered services. Coinsurance is calculated by multiplying the fixed percentage(s) shown earlier in this section times Wellmark’s payment arrangement amount. Payment arrangements may differ depending on the contracting status of the provider and/or the state where you receive services. For details, see How Coinsurance is Calculated, page 49. Coinsurance amounts apply after you meet the deductible.

Coinsurance amounts are waived for some services. See Waived Payment Obligations later in this section.

**Out-of-Pocket Maximum**

The out-of-pocket maximum is the maximum amount you pay, out of your pocket, for most covered services in a benefit year. Many amounts you pay for covered services during a benefit year accumulate toward the out-of-pocket maximum. These amounts include:

- Deductible.
- Certain coinsurance amounts.

The family out-of-pocket maximum is reached from applicable amounts paid on behalf of any combination of covered family members.

Out-of-pocket maximum amounts you pay for PPO, Participating, or Out-of-Network provider services apply toward meeting both the PPO and Participating/Out-of-Network out-of-pocket maximums.

However, certain amounts do not apply toward your out-of-pocket maximum.

- Amounts representing any general exclusions and conditions. See General Conditions of Coverage, Exclusions, and Limitations, page 31.
- Emergency room copayments.
- Office visit copayments.
- Urgent care center copayments.
- Coinsurance amounts you pay for the treatment of infertility.

These amounts continue even after you have met your out-of-pocket maximum.

**Benefits Maximums**
Benefits maximums are the maximum benefit amounts that each member is eligible to receive.

Benefits maximums are accumulated from benefits under this medical benefits plan and prior medical benefits plans sponsored by your employer or group sponsor and administered by Wellmark Blue Cross and Blue Shield.

**Waived Payment Obligations**
Some payment obligations are waived for the following covered services.

<table>

<td>Deductible</td>
</tr>
</tbody>
</table>

For a description of the Wellmark Service Area, see *Choosing a Provider*, page 35. The deductible is not waived for the following services: CT (computerized tomography), MEG (magnetoencephalography), MRAs (magnetic resonance angiography), MRIs (magnetic resonance imaging), PET (positron emission tomography), nuclear medicine, ultrasounds, and radiation therapy.

### Blue Rx Complete

#### Copayment

Copayment is a fixed dollar amount you pay each time a covered prescription is filled or refilled.

You pay the entire cost if you purchase a drug that is not on the Wellmark Blue Rx Complete Drug List. See *Wellmark Blue Rx Complete Drug List*, page 28.

#### Waived Payment Obligations

Some payment obligations are waived for the following covered drugs or services.

<table>

2. At a Glance - Covered and Not Covered

Alliance Select

Your coverage provides benefits for many services and supplies. There are also services for which this coverage does not provide benefits. The following chart is provided for your convenience as a quick reference only. This chart is not intended to be and does not constitute a complete description of all coverage details and factors that determine whether a service is covered or not. All covered services are subject to the contract terms and conditions contained throughout this summary plan description. Many of these terms and conditions are contained in Details – Covered and Not Covered, page 15. To fully understand which services are covered and which are not, you must become familiar with this entire summary plan description. Please call us if you are unsure whether a particular service is covered or not.

The headings in this chart provide the following information:

**Category.** Service categories are listed alphabetically and are repeated, with additional detailed information, in Details – Covered and Not Covered.

**Covered.** The listed category is generally covered, but some restrictions may apply.

**Not Covered.** The listed category is generally not covered.

**See Page.** This column lists the page number in Details – Covered and Not Covered where there is further information about the category.

**Benefits Maximums.** This column lists maximum benefit amounts that each member is eligible to receive. Benefits maximums that apply per benefit year or per lifetime are reached from benefits accumulated under this group health plan and any prior group health plans sponsored by your employer or group sponsor and administered by Wellmark Blue Cross and Blue Shield.

**Please note:** Benefits maximums accumulate for medical and prescription drug benefits separately.

Blue Rx Complete

Please note: To determine if a drug is covered, you must consult the Wellmark Blue Rx Complete Drug List. You are covered for drugs listed on the Wellmark Blue Rx Complete Drug List. If a drug is not on the Wellmark Blue Rx Complete Drug List, it is not covered.

For details on drug coverage, drug limitations, and drug exclusions, see the next section, Details – Covered and Not Covered.
3. Details - Covered and Not Covered

All covered services or supplies listed in this section are subject to the general contract provisions and limitations described in this summary plan description. Also see the section General Conditions of Coverage, Exclusions, and Limitations, page 31. If a service or supply is not specifically listed, do not assume it is covered.

---

**Alliance Select**

**Acupuncture Treatment**

**Not Covered:** Acupuncture and acupressure treatment.

---

**Allergy Testing and Treatment**

**Covered.**

---

**Ambulance Services**

**Covered:** Professional air and ground ambulance transportation to a hospital or nursing facility in the surrounding area where your ambulance transportation originates.

All of the following are required to qualify for benefits:

- The services required to treat your illness or injury are not available in the facility where you are currently receiving care if you are an inpatient at a facility.
- You are transported to the nearest hospital or nursing facility with adequate facilities to treat your medical condition.
- No other method of transportation is appropriate.
- In addition to the preceding requirements, for air ambulance services to be covered, all of the following conditions must be met:
  - The air ambulance has the necessary patient care equipment and supplies to meet your needs.
  - Your medical condition requires immediate and rapid ambulance transport that cannot be provided by a ground ambulance; or the point of pick up is inaccessible by a land vehicle.
  - Great distances, limited time frames, or other obstacles are involved in getting you to the nearest hospital with appropriate facilities for treatment.
  - Your condition is such that the time needed to transport you by land poses a threat to your health.

**Not Covered:** Professional air ambulance transport from a facility capable of treating your condition when performed primarily for your convenience or the convenience of your family, physician, or other health care provider.

**Anesthesia**

**Covered:** Anesthesia and the administration of anesthesia.

**Not Covered:** Local or topical anesthesia billed separately from related surgical or medical procedures.

---

**Blood Administration**

**Covered:** Blood administration.

**Not Covered:** Blood. This exclusion does not apply to members with hemophilia.

---

**Chemical Dependency Treatment**

**Covered:** Treatment for a condition with physical or psychological symptoms produced by the habitual use of certain drugs as described in the most current Diagnostic and Statistical Manual of Mental Disorders.
For treatment in a residential treatment facility, benefits are available:

- For treatment provided on an intensive outpatient basis, but not including charges related to residential care;
- For partial hospitalization treatment, but not including charges related to residential care;
- For sub-acute, medically monitored inpatient treatment for patients whose condition requires four-hour licensed nurse observation, monitoring, and treatment, as well as services provided by interdisciplinary staff under the direction of a licensed physician, but which does not require the full resources of an acute care general hospital or a medically managed inpatient treatment program; and
- For inpatient, medically managed acute care for patients whose condition requires the resources of an acute care general hospital or a medically managed inpatient treatment program.

Coverage for Psychiatric Medical Institutions for Children (PMIC) is separately addressed in this summary plan description and is not subject to the preceding provision.

Not Covered:

- Treatment received in a residential treatment facility, except as described under Covered.

See Also:

Hospitals and Facilities later in this section.

Chemotherapy and Radiation Therapy

Covered: Use of chemical agents or radiation to treat or control a serious illness.

Contraceptives

Covered: The following conception prevention, as approved by the U.S. Food and Drug Administration:

- Contraceptive medical devices, such as intrauterine devices and diaphragms.
- Implanted contraceptives.
- Injected contraceptives.

Please note: Contraceptive drugs and contraceptive drug delivery devices, such as insertable rings and patches are covered under your Blue Rx Complete prescription drug benefits described later in this section.

See the Wellmark Blue Rx Complete Drug List at Wellmark.com or call the Customer Service number on your ID card and request a copy of the Drug List.

Cosmetic Services

Not Covered: Cosmetic services, supplies, or drugs if provided primarily to improve physical appearance. A service, supply or drug that results in an incidental improvement in appearance may be covered if it is provided primarily to restore function lost or impaired as the result of an illness, accidental injury, or a birth defect. You are also not covered for treatment for any complications resulting from a noncovered cosmetic procedure.

See Also:

Reconstructive Surgery later in this section.

Counseling and Education Services

Not Covered:

- Bereavement counseling or services (including volunteers or clergy), family counseling or training services, and marriage counseling or training services.
- Education or educational therapy other than covered education for self-management of diabetes.

See Also:

Genetic Testing later in this section.

Education Services for Diabetes later in this section.

Mental Health Services later in this section.
### Dental Services
**Covered:**
- Dental treatment for accidental injuries when all of the following requirements are met:
  - Initial treatment is received within 72 hours of the injury.
  - Follow-up treatment is completed within 12 months.
- Anesthesia (general) and hospital or ambulatory surgical facility services related to covered dental services if:
  - You are under age 14 and, based on a determination by a licensed dentist and your treating physician, you have a dental or developmental condition for which patient management in the dental office has been ineffective and requires dental treatment in a hospital or ambulatory surgical facility; or
  - Based on a determination by a licensed dentist and your treating physician, you have one or more medical conditions that would create significant or undue medical risk in the course of delivery of any necessary dental treatment or surgery if not rendered in a hospital or ambulatory surgical facility.
- Impacted teeth removal (surgical) as an outpatient. Inpatient removal is covered only when you have a medical condition (such as hemophilia) that requires hospitalization.
- Facial bone fracture reduction.
- Incisions of accessory sinus, mouth, salivary glands, or ducts.
- Jaw dislocation manipulation.
- Orthodontic services required for surgical management of cleft palate.
- Treatment of abnormal changes in the mouth due to injury or disease.

**Not Covered:**
- General dentistry including, but not limited to, diagnostic and preventive services, restorative services, endodontic services, periodontal services, indirect fabrications, dentures and bridges, and orthodontic services unrelated to accidental injuries or surgical management of cleft palate.
- Injuries associated with or resulting from the act of chewing.
- Maxillary or mandibular tooth implants (osseointegration) unrelated to accidental injuries or abnormal changes in the mouth due to injury or disease.

### Dialysis
**Covered:** Removal of toxic substances from the blood when the kidneys are unable to do so when provided as an inpatient in a hospital setting or as an outpatient in a Medicare-approved dialysis center.

### Education Services for Diabetes
**Covered:** Inpatient and outpatient training and education for the self-management of all types of diabetes mellitus.

All covered training or education must be prescribed by a licensed physician. Outpatient training or education must be provided by a state-certified program. The state-certified diabetic education program helps any type of diabetic and his or her family understand the diabetes disease process and the daily management of diabetes.

**Benefits Maximum:**
- 10 hours of outpatient diabetes self-management training provided within a 12-month period, plus follow-up training of up to two hours annually.

### Emergency Services
**Covered:** When treatment is for a medical condition manifested by acute symptoms of sufficient severity, including pain, that a prudent layperson, with an average knowledge of health and medicine, could
reasonably expect absence of immediate medical attention to result in:

- Placing the health of the individual or, with respect to a pregnant woman, the health of the woman and her unborn child, in serious jeopardy; or
- Serious impairment to bodily function; or
- Serious dysfunction of any bodily organ or part.

In an emergency situation, if you cannot reasonably reach a PPO Provider, covered services will be reimbursed as though they were received from a PPO Provider. However, because we do not have contracts with Out-of-Network Providers and they may not accept our payment arrangements, you are responsible for any difference between the amount charged and our amount paid for a covered service.

See Also:

Fertility and Infertility Services

Covered:

- Fertility prevention, such as tubal ligation (or its equivalent) or vasectomy (initial surgery only).
- Infertility testing and treatment for infertile members including in vitro fertilization, gamete intrafallopian transfer (GIFT), and pronuclear stage transfer (PROST).

Benefits Maximum:

- **$15,000** per lifetime for infertility transfer procedures.

Not Covered:

- Infertility treatment if the infertility is the result of voluntary sterilization.
- The collection or purchase of donor semen (sperm) or oocytes (eggs) when performed in connection with fertility or infertility procedures or for any other reason or service; freezing of sperm, oocytes, or embryos; surrogate parent services.
- Reversal of a tubal ligation (or its equivalent) or vasectomy.

See Also:

Prescription Drugs later in this section.

Genetic Testing

Covered: Genetic molecular testing (specific gene identification) and related counseling are covered when both of the following requirements are met:

- You are an appropriate candidate for a test under medically recognized standards (for example, family background, past diagnosis, etc.).
- The outcome of the test is expected to determine a covered course of treatment or prevention and is not merely informational.

Hearing Services

Covered:

- Routine hearing examinations.

Benefits Maximum:

- **One** routine hearing examination per benefit year.

Not Covered:

- Hearing aids.

Home Health Services

Covered: All of the following requirements must be met in order for home health services to be covered:

- You require a medically necessary skilled service such as skilled nursing, physical therapy, or speech therapy.
- Services are received from an agency accredited by the Joint Commission for Accreditation of Health Care Organizations (JCAHO) and/or a Medicare-certified agency.
Services are prescribed by a physician and approved by Wellmark for the treatment of illness or injury.

Services are not more costly than alternative services that would be effective for diagnosis and treatment of your condition.

The following are covered services and supplies:

**Home Health Aide Services**—when provided in conjunction with a medically necessary skilled service also received in the home.

**Short-Term Home Skilled Nursing.** Treatment must be given by a registered nurse (R.N.) or licensed practical nurse (L.P.N.) from an agency accredited by the Joint Commission for Accreditation of Health Care Organizations (JCAHO) or a Medicare-certified agency. Short-term home skilled nursing is intended to provide a safe transition from other levels of care when medically necessary, to provide teaching to caregivers for ongoing care, or to provide short-term treatments that can be safely administered in the home setting. The daily benefit for short-term home skilled nursing services will not exceed Wellmark’s daily maximum allowable fee for care in a skilled nursing facility. Custodial care is not included in this benefit.

**Inhalation Therapy.**

**Medical Equipment.**

**Medical Social Services.**

**Medical Supplies.**

**Occupational Therapy**—but only for services to treat the upper extremities, which means the arms from the shoulders to the fingers. You are not covered for occupational therapy supplies.

**Oxygen and Equipment** for its administration.

**Parenteral and Enteral Nutrition.**

**Physical Therapy.**

**Prescription Drugs and Medicines** administered in the vein or muscle.

**Prosthetic Devices and Braces.**

**Speech Therapy.**

**Benefits Maximum:**

- **100 days** per benefit year for home health services.

**Not Covered:**

- Custodial home care services and supplies, which help you with your daily living activities. This type of care does not require the continuing attention and assistance of licensed medical or trained paramedical personnel. Some examples of custodial care are assistance in walking and getting in and out of bed; aid in bathing, dressing, feeding, and other forms of assistance with normal bodily functions; preparation of special diets; and supervision of medication that can usually be self-administered. You are also not covered for sanitarium care or rest cures.

- Extended home skilled nursing.

---

**Home/Durable Medical Equipment**

**Covered:** Equipment that meets all of the following requirements:

- Durable enough to withstand repeated use.
- Primarily and customarily manufactured to serve a medical purpose.
- Used to serve a medical purpose.

In addition, we determine whether to pay the rental amount or the purchase price amount for an item, and we determine the length of any rental term. Benefits will never exceed the lesser of the amount charged or the maximum allowable fee.
See Also:
*Medical and Surgical Supplies* later in this section.
*Orthotics* later in this section.
*Personal Convenience Items* in the section *General Conditions of Coverage, Exclusions, and Limitations*, page 33.
*Prosthetic Devices* later in this section.

**Hospice Services**

**Covered:** Care (generally in a home setting) for patients who are terminally ill and who have a life expectancy of six months or less. Hospice care covers the same services as described under *Home Health Services*, as well as hospice respite care from a facility approved by Medicare or by the Joint Commission for Accreditation of Health Care Organizations (JCAHO).

Hospice respite care offers rest and relief help for the family caring for a terminally ill patient. Inpatient respite care can take place in a nursing home, nursing facility, or hospital.

**Benefits Maximum:**

- **15 days** per lifetime for inpatient hospice respite care.
- **15 days** per lifetime for outpatient hospice respite care.
- Not more than **five days** of hospice respite care at a time.
- **180 days** per lifetime for hospice care.

**Hospitals and Facilities**

**Covered:** Hospitals and other facilities that meet standards of licensing, accreditation or certification. Following are some recognized facilities:

*Ambulatory Surgical Facility.* This type of facility provides surgical services on an outpatient basis for patients who do not need to occupy an inpatient hospital bed.

*Chemical Dependency Treatment Facility.* This type of facility provides treatment of chemical dependency and must be licensed and approved by Wellmark.

*Community Mental Health Center.* This type of facility provides outpatient treatment of mental health conditions and must be licensed and approved by Wellmark.

*Hospital.* This type of facility provides for the diagnosis, treatment, or care of injured or sick persons on an inpatient and outpatient basis. The facility must be licensed as a hospital under applicable law.

*Nursing Facility.* This type of facility provides continuous skilled nursing services as ordered and certified by your attending physician on an inpatient basis. The facility must be licensed as a nursing facility under applicable law.

*Residential Treatment Facility.* This is a licensed facility other than a hospital or nursing facility that provides:

- treatment on an intensive outpatient basis;
- partial hospitalization treatment;
- sub-acute, medically monitored inpatient treatment for patients whose condition requires four-hour licensed nurse observation, monitoring, and treatment, as well as services provided by interdisciplinary staff under the direction of a licensed physician, but which does not require the full resources of an acute care general hospital or a medically managed inpatient treatment program;
- inpatient, medically managed acute care for patients whose condition requires the resources of an acute care general hospital or a medically managed inpatient treatment program.

Coverage for Psychiatric Medical Institutions for Children (PMIC) is separately addressed in this summary.
Details – Covered and Not Covered

plan description and is not subject to the preceding provision.

Benefits Maximum:

- **100 days** per benefit year for skilled nursing services in a hospital or nursing facility.

Not Covered:

- Treatment received in a residential treatment facility, except as described under Covered.
- Psychiatric Medical Institution for Children.

See Also:

Chemical Dependency Treatment earlier in this section.

Mental Health Services later in this section.

Illness or Injury Services

**Covered:** Services or supplies used to treat any bodily disorder, bodily injury, disease, or mental health condition unless specifically addressed elsewhere in this section. This includes pregnancy and complications of pregnancy.

Treatment may be received from an approved provider in any of the following settings:

- Home.
- Inpatient (such as a hospital or nursing facility).
- Office (such as a doctor’s office).
- Outpatient.

Inhalation Therapy

**Covered:** Respiratory or breathing treatments to help restore or improve breathing function.

Maternity Services

**Covered:** Prenatal and postnatal care, delivery, including complications of pregnancy. A complication of pregnancy refers to a cesarean section that was not planned, an ectopic pregnancy that is terminated, or a spontaneous termination of pregnancy that occurs during a period of gestation in which a viable birth is not possible. Complications of pregnancy also include conditions requiring inpatient hospital admission (when pregnancy is not terminated) whose diagnoses are distinct from pregnancy but are adversely affected by pregnancy or are caused by pregnancy.

**Please note:** You must notify us or your employer or group sponsor if you enter into an arrangement to provide surrogate parent services: Contact your employer or group sponsor or call the Customer Service number on your ID card.

In accordance with federal or applicable state law, maternity services include a minimum of:

- 48 hours of inpatient care (in addition to the day of delivery care) following a vaginal delivery, or
- 96 hours of inpatient care (in addition to the day of delivery) following a cesarean section.

A practitioner is not required to seek Wellmark’s review in order to prescribe a length of stay of less than 48 or 96 hours. The attending practitioner, in consultation with the mother, may discharge the mother or newborn prior to 48 or 96 hours, as applicable.

If the inpatient hospital stay is shorter, coverage includes a follow-up postpartum home visit by a registered nurse (R.N.). This nurse must be from a home health agency under contract with Wellmark or employed by the delivering physician.

**Not Covered:** Maternity services for dependent children (with the exception of complications of pregnancy).

See Also:

Coverage Change Events, page 61.
Medical and Surgical Supplies
Covered: Medical supplies and devices such as:
- Dressings and casts.
- Oxygen and equipment needed to administer the oxygen.
- Diabetic equipment and supplies including insulin syringes purchased from a covered home/durable medical equipment provider.

Not Covered:
- Elastic stockings or bandages including trusses, lumbar braces, garter belts, and similar items that can be purchased without a prescription.

See Also:
Home/Durable Medical Equipment earlier in this section.
Orthotics later in this section.
Blue Rx Complete, page 28.

Personal Convenience Items in the section General Conditions of Coverage, Exclusions, and Limitations, page 33.
Prosthetic Devices later in this section.

Mental Health Services
Covered: Treatment for certain psychiatric, psychological, or emotional conditions as an inpatient or outpatient. Covered facilities for mental health services include licensed and accredited residential treatment facilities and community mental health centers.

Coverage includes diagnosis and treatment of these biologically based mental illnesses:
- Schizophrenia.
- Bipolar disorders.
- Major depressive disorders.
- Schizo-affective disorders.
- Obsessive-compulsive disorders.
- Pervasive developmental disorders.
- Autistic disorders.

To qualify for mental health treatment benefits, the following requirements must be met:
- The disorder is classified as a mental health condition in the Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition (DSM-V) or subsequent revisions.
- The disorder is listed only as a mental health condition and not dually listed elsewhere in the most current version of International Classification of Diseases, Clinical Modification used for diagnosis coding.
- The disorder is not a chemical dependency condition.
- The disorder is a behavioral or psychological condition not attributable to a mental disorder that is the focus of professional attention or treatment, but only to the extent services for such conditions are otherwise considered covered under your medical benefits.

For treatment in a residential treatment facility, benefits are available:
- For treatment provided on an intensive outpatient basis, but not including charges related to residential care;
- For partial hospitalization treatment, but not including charges related to residential care;
- For sub-acute, medically monitored inpatient treatment for patients whose condition requires four-hour licensed nurse observation, monitoring, and treatment, as well as services provided by interdisciplinary staff under the direction of a licensed physician, but which does not require the full resources of an acute care general hospital or a medically managed inpatient treatment program; and
- For inpatient, medically managed acute care for patients whose condition requires the resources of an acute care general hospital or a medically managed inpatient treatment program.
Details – Covered and Not Covered

Coverage for Psychiatric Medical Institutions for Children (PMIC) is separately addressed in this summary plan description and is not subject to the preceding provision.

Not Covered: Treatment for:

- Applied Behavior Analysis (ABA) services for the treatment of autism and related disorders.
- Certain disorders related to early childhood, such as academic underachievement disorder.
- Communication disorders, such as stuttering and stammering.
- Impulse control disorders, such as pathological gambling.
- Nonpervasive developmental and learning disorders.
- Sensitivity, shyness, and social withdrawal disorders.
- Sexual disorders.
- Gender identity disorders.
- Treatment received in a residential treatment facility, except as described under Covered.

See Also:

Chemical Dependency Treatment and Hospitals and Facilities earlier in this section.

Motor Vehicles

Not Covered: Purchase or rental of motor vehicles such as cars or vans. You are also not covered for equipment or costs associated with converting a motor vehicle to accommodate a disability.

Musculoskeletal Treatment

Covered: Outpatient nonsurgical treatment of ailments related to the musculoskeletal system, such as manipulations or related procedures to treat musculoskeletal injury or disease.

Benefits Maximum:

- 20 visits per benefit year for chiropractic services.

Not Covered: Massage therapy.

Nonmedical Services

Not Covered: Such services as telephone consultations, charges for failure to keep scheduled appointments, charges for completion of any form, charges for medical information, recreational therapy, and any services or supplies that are nonmedical. You are also not covered for services delivered to you by a provider via interactive audio only, audio-visual technology, or web-based or similar electronic-based communication network.

Occupational Therapy

Covered: Occupational therapy services are covered when all the following requirements are met:

- Services are to treat the upper extremities, which means the arms from the shoulders to the fingers.
- The goal of the occupational therapy is improvement of an impairment or functional limitation.
- The potential for rehabilitation is significant in relation to the extent and duration of services.

Morbid Obesity Treatment

Covered: Weight reduction surgery provided the surgery is medically necessary for your condition. Not all procedures classified as weight reduction surgery are covered.

Not Covered:

- Weight reduction programs or supplies (including dietary supplements, foods, equipment, lab testing, examinations, and prescription drugs), whether or not weight reduction is medically appropriate.
Details – Covered and Not Covered

- The expectation for improvement is in a reasonable (and generally predictable) period of time.
- There is evidence of improvement by successive objective measurements whenever possible.

**Not Covered:**
- Occupational therapy supplies.
- Occupational therapy provided as an inpatient in the absence of a separate medical condition that requires hospitalization.
- Occupational therapy performed for maintenance.
- Occupational therapy services that do not meet the requirements specified under **Covered**.

**Orthotics**

**Not Covered:** Orthotic foot devices such as arch supports or in-shoe supports, orthopedic shoes, elastic supports, or examinations to prescribe or fit such devices.

**See Also:**

Home/Durable Medical Equipment earlier in this section.

Personal Convenience Items in the section General Conditions of Coverage, Exclusions, and Limitations, page 33.

Prosthetic Devices later in this section.

**Physical Therapy**

**Covered:** Physical therapy services are covered when all the following requirements are met:

- The goal of the physical therapy is improvement of an impairment or functional limitation.
- The potential for rehabilitation is significant in relation to the extent and duration of services.
- The expectation for improvement is in a reasonable (and generally predictable) period of time.

- There is evidence of improvement by successive objective measurements whenever possible.

**Not Covered:**
- Physical therapy provided as an inpatient in the absence of a separate medical condition that requires hospitalization.
- Physical therapy performed for maintenance.
- Physical therapy services that do not meet the requirements specified under **Covered**.

**Physicians and Practitioners**

**Covered:** Most services provided by practitioners that are recognized by us and meet standards of licensing, accreditation or certification. Following are some recognized physicians and practitioners:

- **Advanced Registered Nurse Practitioners (ARNP).** An ARNP is a registered nurse with advanced training in a specialty area who is registered with the Iowa Board of Nursing to practice in an advanced role with a specialty designation of certified clinical nurse specialist, certified nurse midwife, certified nurse practitioner, or certified registered nurse anesthetist.
- **Audiologists.**
- **Chiropractors.**
- **Doctors of Osteopathy (D.O.).**
- **Licensed Independent Social Workers.**
- **Medical Doctors (M.D.).**
- **Occupational Therapists.** This provider is covered only when treating the upper extremities, which means the arms from the shoulders to the fingers.
- **Optometrists.**
- **Oral Surgeons.**
- **Physical Therapists.**
- **Physician Assistants.**
Podiatrists.

Psychologists. Psychologists must have a doctorate degree in psychology with two years' clinical experience and meet the standards of a national register.

Speech Pathologists.

Not Covered:

- Athletic Trainers.

See Also:

Choosing a Provider, page 35.

Prescription Drugs

Covered: Most prescription drugs and medicines that bear the legend, “Caution, Federal Law prohibits dispensing without a prescription,” are generally covered under your Blue Rx Complete prescription drug benefits, not under your medical benefits. However, there are exceptions when prescription drugs and medicines are covered under your medical benefits.

Drugs classified by the FDA as Drug Efficacy Study Implementation (DESI) drugs may also be covered. For a list of these drugs, visit our website at Wellmark.com or check with your pharmacist or physician.

Prescription drugs and medicines covered under your medical benefits include:

- **Drugs and Biologicals.** Drugs and biologicals approved by the U.S. Food and Drug Administration. This includes such supplies as serum, vaccine, antitoxin, or antigen used in the prevention or treatment of disease.

- **Infertility Prescription Drugs.**

- **Intravenous Administration.** Intravenous administration of nutrients, antibiotics, and other drugs and fluids when provided in the home (home infusion therapy).

- **Nicotine Dependence.** Prescription drugs and devices used to treat nicotine dependence are covered under your Blue Rx Complete prescription drug benefits and not under your medical benefits. However, related medical evaluations are covered under your medical benefits.

Specialty Drugs. Specialty drugs are high-cost injectable, infused, oral, or inhaled drugs typically used for treating or managing chronic illnesses. These drugs often require special handling (e.g., refrigeration) and administration. They are not available through the mail order drug program.

Specialty drugs may be covered under your medical benefits or under your Blue Rx Complete prescription drug benefits. To determine whether a particular specialty drug is covered under your medical benefits or under your Blue Rx Complete prescription drug benefits, consult the Wellmark Blue Rx Complete Drug List at Wellmark.com, or call the Customer Service number on your ID card.

Not Covered: Some prescription drugs are not covered under either your medical benefits or your Blue Rx Complete benefits. For example:

- Drugs purchased outside the United States failing the requirements specified earlier in this section.

- Prescription drugs that are not FDA-approved.

Some prescription drugs are covered under your Blue Rx Complete benefits:

- Insulin.

See the Wellmark Blue Rx Complete Drug List at Wellmark.com or call the Customer Service number on your ID card and request a copy of the Drug List.

See Also:

Blue Rx Complete later in this section.

Contraceptives earlier in this section.

Medical and Surgical Supplies earlier in this section.
Preventive Care

Covered:

- Physical examinations and related preventive services such as:
  - Gynecological examinations.
  - Immunizations.
  - Mammograms.
  - Pap smears.
- Normal newborn care (physician services provided to a baby during the mother's initial hospitalization).
- Well-child care including immunizations.

Benefits Maximum:

- Well-child care until the child reaches age two.
- One routine physical examination per benefit year.
- One routine mammogram per benefit year.
- One routine gynecological examination per benefit year.

Not Covered:

- Routine foot care, including related services or supplies.
- Periodic physicals or health examinations, screening procedures, or immunizations performed solely for school, sports, employment, insurance, licensing, or travel.

See Also:

Hearing Services earlier in this section.
Vision Services later in this section.

Reconstructive Surgery

Covered: Reconstructive surgery primarily intended to restore function lost or impaired as the result of an illness, injury, or a birth defect (even if there is an incidental improvement in physical appearance) including breast reconstructive surgery following mastectomy. Breast reconstructive surgery includes the following:

- Reconstruction of the breast on which the mastectomy has been performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses.
- Treatment of physical complications of the mastectomy, including lymphedemas.

Also covered are braces, which are rigid or semi-rigid devices commonly used to support a weak or deformed body part or to restrict or eliminate motion in a diseased or injured part of the body. Braces do not include elastic stockings, elastic bandages, garter belts, arch supports, orthodontic devices, or other similar items.

Not Covered:

- Devices such as eyeglasses and air conduction hearing aids or examinations for their prescription or fitting.
- Elastic stockings or bandages including trusses, lumbar braces, garter belts, and similar items that can be purchased without a prescription.

See Also:

Home/Durable Medical Equipment earlier in this section.
Medical and Surgical Supplies earlier in this section.
Orthotics earlier in this section.
Personal Convenience Items in the section General Conditions of Coverage, Exclusions, and Limitations, page 33.

Prosthetic Devices

Covered: Devices used as artificial substitutes to replace a missing natural part of the body or to improve, aid, or increase the performance of a natural function.
See Also:
Cosmetic Services earlier in this section.

Self-Help Programs
Not Covered: Self-help and self-cure products or drugs.

Sleep Apnea Treatment
Covered: Obstructive sleep apnea diagnosis and treatments.
Not Covered: Treatment for snoring without a diagnosis of obstructive sleep
apnea.

Speech Therapy
Covered: Rehabilitative speech therapy services when related to a specific illness,
injury, or impairment and involve the mechanics of phonation, articulation, or
swallowing. Services must be provided by a licensed or certified speech pathologist.
Not Covered:
- Speech therapy services not provided by a licensed or certified speech
  pathologist.
- Speech therapy to treat certain developmental, learning, or communication
  disorders, such as stuttering and stammering.

Surgery
Covered. This includes the following:
- Major endoscopic procedures.
- Operative and cutting procedures.
- Preoperative and postoperative care.
Not Covered: Gender reassignment surgery.
See Also:
Dental Services earlier in this section.
Reconstructive Surgery earlier in this section.

Temporomandibular Joint Disorder (TMD)
Covered.
Not Covered: Dental extractions, dental restorations, or orthodontic treatment for
temporomandibular joint disorders.

Transplants
Covered:
- Certain bone marrow/stem cell transfers from a living donor.
- Heart.
- Heart and lung.
- Kidney.
- Liver.
- Lung.
- Pancreas.
- Simultaneous pancreas/kidney.
- Small bowel.

Transplants are subject to case management.
Charges related to the donation of an organ are usually covered by the recipient’s
medical benefits plan. However, if donor charges are excluded by the recipient’s plan,
and you are a donor, the charges will be covered by your medical benefits.
Not Covered:
- Expenses of transporting a living donor.
- Expenses related to the purchase of any organ.
- Services or supplies related to mechanical or non-human organs associated with transplants.
- Transplant services and supplies not listed in this section including complications.

See Also:
Case Management, page 46.

Travel or Lodging Costs
Not Covered.
Details – Covered and Not Covered

**Vision Services**

**Covered:** Routine vision examinations.

**Benefits Maximum:**
- **One** routine vision examination per benefit year.

**Not Covered:**
- Surgery to correct a refractive error (i.e., when the shape of your eye does not bend light correctly resulting in blurred images).
- Eyeglasses or contact lenses, including charges related to their fitting.
- Prescribing of corrective lenses.
- Eye examinations for the fitting of eyewear.

**Wigs or Hairpieces**

**Covered:** Wigs and hairpieces are covered but only when related to hair loss resulting from chemotherapy and radiation treatment.

**Benefits Maximum:**
- **One** wig or hairpiece per lifetime.

**X-ray and Laboratory Services**

**See Also:**
*Preventive Care* earlier in this section.

---

**Blue Rx Complete**

**Guidelines for Drug Coverage**

To be covered, a prescription drug must meet all of the following criteria:

- Listed on the Wellmark Blue Rx Complete Drug List.
- Can be legally obtained in the United States only with a written prescription.
- Deemed both safe and effective by the U.S. Food and Drug Administration (FDA) and approved for use by the FDA after 1962.*
- Prescribed by a practitioner prescribing within the scope of his or her license.
- Dispensed by a recognized licensed retail pharmacy employing licensed registered pharmacists or through the mail order drug program.
- Medically necessary for your condition. See *Medically Necessary*, page 31.
- Not available in an equivalent over-the-counter strength. However, certain over-the-counter products prescribed by a physician may be covered. To determine if a particular over-the-counter product is covered, call the Customer Service number on your ID card.
- Reviewed, evaluated, and recommended for addition to the Wellmark Blue Rx Complete Drug List by Wellmark.

*This criterion does not apply to compounded drugs that do not contain an active ingredient in a form that has been approved by the FDA and that require a prescription to obtain. Nor does it apply to compounded drugs that contain bulk powders. These are covered under your Blue Rx Complete prescription drug benefits.

**Drugs that are Covered**

**The Wellmark Blue Rx Complete Drug List**

The Wellmark Blue Rx Complete Drug List is a reference list that includes generic and brand-name prescription drugs that have been approved by the U.S. Food and Drug Administration (FDA) and are covered under your Blue Rx Complete prescription
drug benefits. The Drug List is updated on a quarterly basis, or when new drugs become available, and as discontinued drugs are removed from the marketplace.

To determine if a drug is covered, you must consult the Wellmark Blue Rx Complete Drug List. You are covered for drugs listed on the Wellmark Blue Rx Complete Drug List. If a drug is not on the Wellmark Blue Rx Complete Drug List, it is not covered.

If you need help determining if a particular drug is on the Drug List, ask your physician or pharmacist, visit our website, Wellmark.com, or call the Customer Service number on your ID card and request a copy of the Drug List.

New drugs will not be added to the Drug List until they have been evaluated by Wellmark. We will periodically update the list to reflect these evaluations and to reflect the changing drug market in general. Revisions to the list will be distributed to providers who participate with Wellmark, and pharmacies that participate with the network used by this prescription drug plan.

The Drug List is subject to change.

**Tobacco Dependency Drugs**

Prescription drugs and devices used to treat nicotine dependence are covered.

**Limits on Prescription Drug Coverage**

We may exclude, discontinue, or limit coverage for any drug by removing it from the Drug List or by moving a drug to a different tier on the Drug List for any of the following reasons:

- New drugs are developed.
- Generic drugs become available.
- Over-the-counter drugs with similar properties become available or a drug’s active ingredient is available in a similar strength in an over-the-counter product or as a nutritional or dietary supplement product available over the counter.
- There is a sound medical reason.
- Scientific evidence does not show that a drug works as well and is as safe as other drugs used to treat the same or similar conditions.
- A drug receives FDA approval for a new use.

**Drugs that are Not Covered**

Drugs and items that are not covered under your prescription drug benefits include but are not limited to:

- Drugs not listed on the Wellmark Blue Rx Complete Drug List.
- Drugs in excess of a quantity limitation. See **Quantity Limitations** later in this section.
- Drugs that are not FDA approved.
- Experimental or investigational drugs.
- Drugs determined to be abused or otherwise misused by you.
- Drugs that are lost, damaged, stolen, or used inappropriately.
- Contraceptive medical devices, such as intrauterine devices and diaphragms. These are covered under your medical benefits. See **Contraceptives**, page 16.
- Convenience packaging. If the cost of the convenience packaged drug exceeds what the drug would cost if purchased in its normal container, the convenience packaged drug is not covered.
- Cosmetic drugs.
- Irrigation solutions and supplies.
- Therapeutic devices or medical appliances.
- Infertility drugs.
- Weight reduction drugs.

See Also:

*Prescription Drugs*, page 25.
**Prescription Purchases Outside the United States**
To qualify for benefits for prescription drugs purchased outside the United States, all of the following requirements must be met:

- You are injured or become ill while in a foreign country.
- The prescription drug's active ingredient and dosage form are FDA-approved or an FDA equivalent and has the same name and dosage form as the FDA-approved drug's active ingredient.
- The prescription drug would require a written prescription by a licensed practitioner if prescribed in the U.S.
- You provide acceptable documentation that you received a covered service from a practitioner or hospital and the practitioner or hospital prescribed the prescription drug.

**Quantity Limitations**
Most prescription drugs are limited to a maximum quantity you may receive in a single prescription.

Federal regulations limit the quantity that may be dispensed for certain medications. If your prescription is so regulated, it may not be available in the amount prescribed by your physician.

In addition, coverage for certain drugs is limited to specific quantities per month, benefit year, or lifetime. Amounts in excess of quantity limitations are not covered.

For a list of drugs with quantity limits, check with your pharmacist or physician, consult the Wellmark Blue Rx Complete Drug List at Wellmark.com, or call the Customer Service number on your ID card.

**Refills**
To qualify for refill benefits, all of the following requirements must be met:

- Sufficient time has elapsed since the last prescription was written. Sufficient time means that at least 75 percent of the medication has been taken according to the instructions given by the practitioner.
- The refill is not to replace medications that have been lost, damaged, stolen, or used inappropriately.
- The refill is for use by the person for whom the prescription is written (and not someone else).
- The refill does not exceed the amount authorized by your practitioner.
- The refill is not limited by state law.

You are allowed one early refill per medication per calendar year if you will be away from home for an extended period of time.

If traveling within the United States, the refill amount will be subject to any applicable quantity limits under this coverage. If traveling outside the United States, the refill amount will not exceed a 90-day supply.

To receive authorization for an early refill, ask your pharmacist to call us.
4. General Conditions of Coverage, Exclusions, and Limitations

The provisions in this section describe general conditions of coverage and important exclusions and limitations that apply generally to all types of services or supplies.

Conditions of Coverage

Medically Necessary
A key general condition in order for you to receive benefits is that the service, supply, device, or drug must be medically necessary. Even a service, supply, device, or drug listed as otherwise covered in Details - Covered and Not Covered may be excluded if it is not medically necessary in the circumstances.

Wellmark determines whether a service, supply, device, or drug is medically necessary, and that decision is final and conclusive. Even though a provider may recommend a service or supply, it may not be medically necessary.

A medically necessary health care service is one that a provider, exercising prudent clinical judgment, provides to a patient for the purpose of preventing, evaluating, diagnosing or treating an illness, injury, disease or its symptoms, and is:

- Provided in accordance with generally accepted standards of medical practice. Generally accepted standards of medical practice are based on:
  - Credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community;
  - Physician Specialty Society recommendations and the views of physicians practicing in the relevant clinical area; and
  - Any other relevant factors.
- Clinically appropriate in terms of type, frequency, extent, site and duration, and considered effective for the patient’s illness, injury or disease.
- Not provided primarily for the convenience of the patient, physician, or other health care provider, and not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of the illness, injury or disease.

An alternative service, supply, device, or drug may meet the criteria of medical necessity for a specific condition. If alternatives are substantially equal in clinical effectiveness and use similar therapeutic agents or regimens, we reserve the right to approve the least costly alternative.

If you receive services that are not medically necessary, you are responsible for the cost if:

- You receive the services from an Out-of-Network Provider; or
- You receive the services from a PPO or Participating provider in the Wellmark service area and:
  - The provider informs you in writing before rendering the services that Wellmark determined the services to be not medically necessary; and
  - The provider gives you a written estimate of the cost for such services and you agree in writing, before receiving the services, to assume the payment responsibility.

If you do not receive such a written notice, and do not agree in writing to assume the payment responsibility for services that Wellmark determined are not medically necessary, the PPO or
Participating provider is responsible for these amounts.

- You are also responsible for the cost if you receive services from a provider outside of the Wellmark service area that Wellmark determines to be not medically necessary. This is true even if the provider does not give you any written notice before the services are rendered.

**Member Eligibility**

Another general condition of coverage is that the person who receives services must meet requirements for member eligibility. See *Coverage Eligibility and Effective Date*, page 57.

**General Exclusions**

Even if a service, supply, device, or drug is listed as otherwise covered in *Details - Covered and Not Covered*, it is not eligible for benefits if any of the following general exclusions apply.

**Investigational or Experimental**

You are not covered for a service, supply, device, or drug that is investigational or experimental. A treatment is considered investigational or experimental when it has progressed to limited human application but has not achieved recognition as being proven effective in clinical medicine.

To determine investigational or experimental status, we may refer to the technical criteria established by the Blue Cross and Blue Shield Association, including whether a service, supply, device, or drug meets these criteria:

- It has final approval from the appropriate governmental regulatory bodies.
- The scientific evidence must permit conclusions concerning its effect on health outcomes.
- It improves the net health outcome.
- It is as beneficial as any established alternatives.

- The health improvement is attainable outside the investigational setting.

These criteria are considered by the Blue Cross and Blue Shield Association’s Medical Advisory Panel for consideration by all Blue Cross and Blue Shield member organizations. While we may rely on these criteria, the final decision remains at the discretion of our Medical Director, whose decision may include reference to, but is not controlled by, policies or decisions of other Blue Cross and Blue Shield member organizations. You may access our medical policies, with supporting information and selected medical references for a specific service, supply, device, or drug through our website, [Wellmark.com](http://Wellmark.com).

If you receive services that are investigational or experimental, you are responsible for the cost if:

- You receive the services from an Out-of-Network Provider; or
- You receive the services from a PPO or Participating provider in the Wellmark service area and:
  - The provider informs you in writing before rendering the services that Wellmark determined the services to be investigational or experimental; and
  - The provider gives you a written estimate of the cost for such services and you agree in writing, before receiving the services, to assume the payment responsibility.

If you do not receive such a written notice, and do not agree in writing to assume the payment responsibility for services that Wellmark determined to be investigational or experimental, the PPO or Participating provider is responsible for these amounts.

- You are also responsible for the cost if you receive services from a provider outside of the Wellmark service area that Wellmark determines to be investigational or experimental. This is
true even if the provider does not give you any written notice before the services are rendered.

**Complications of a Noncovered Service**
You are not covered for a complication resulting from a noncovered service, supply, device, or drug. However, this exclusion does not apply to the treatment of complications resulting from:

- Smallpox vaccinations when payment for such treatment is not available through workers’ compensation or government-sponsored programs; or
- A noncovered abortion.

**Nonmedical Services**
You are not covered for telephone consultations, charges for missed appointments, charges for completion of any form, or charges for information. You are also not covered for services delivered to you by a provider via interactive audio only, audio-visual technology, or web-based or similar electronic-based communication network.

**Personal Convenience Items**
You are not covered for items used for your personal convenience, such as:

- Items not primarily and customarily manufactured to serve a medical purpose or which can be used in the absence of illness or injury (including, but not limited to, air conditioners, dehumidifiers, ramps, home remodeling, hot tubs, swimming pools); or
- Items that do not serve a medical purpose or are not needed to serve a medical purpose.

**Provider Is Family Member**
You are not covered for a service or supply received from a provider who is in your immediate family (which includes yourself, parent, child, or spouse or domestic partner).

**Covered by Other Programs or Laws**
You are not covered for a service, supply, device, or drug if:

- You are entitled to claim benefits from a governmental program (other than Medicaid).
- Someone else has the legal obligation to pay for services or without this group health plan, you would not be charged.
- Prescription drug claims are submitted to another insurance carrier. We will not reimburse you for amounts that are unpaid by your other carrier, including deductible, coinsurance, or copayments.
- You require services or supplies for an illness or injury sustained while on active military status.

**Workers’ Compensation**
You are not covered for services or supplies that are compensated under workers’ compensation laws, including services or supplies applied toward satisfaction of any deductible under your employer’s workers’ compensation coverage. You are also not covered for any services or supplies that could have been compensated under workers’ compensation laws if you had complied with the legal requirements relating to notice of injury, timely filing of claims, and medical treatment authorization.

For treatment of complications resulting from smallpox vaccinations, see **Complications of a Noncovered Service** earlier in this section.

**Benefit Limitations**
Benefit limitations refer to amounts for which you are responsible under this group health plan. These amounts are not credited toward your out-of-pocket maximum. In addition to the exclusions and conditions described earlier, the following are examples of benefit limitations under this group health plan:

- A service or supply that is not covered under this group health plan is your responsibility.
- If a covered service or supply reaches a benefit maximum, it is no longer eligible for benefits. (A maximum may renew at the next benefit year.) See Details — Covered and Not Covered, page 15.

- If you receive benefits that reach a lifetime benefits maximum applicable to any specific service, then you are no longer eligible for benefits for that service under this group health plan. See Benefits Maximums, page 9, and At a Glance—Covered and Not Covered, page 11.

- If you do not obtain precertification for certain medical services, benefits can be reduced or denied. You are responsible for benefit reductions if you receive the services from an Out-of-Network Provider. You are responsible for benefit denials only if you are responsible (not your provider) for notification. A PPO Provider in Iowa or South Dakota will handle notification requirements for you. If you see a PPO Provider outside Iowa or South Dakota, you are responsible for notification requirements. See Notification Requirements and Care Coordination, page 41.

- If you do not obtain prior approval for certain prescription drugs, benefits can be reduced or denied. See Notification Requirements and Care Coordination, page 41.

- The type of provider you choose can affect your benefits and what you pay. See Choosing a Provider, page 35, and Factors Affecting What You Pay, page 49. Examples of charges that depend on the type of provider include but are not limited to:
  - Any difference between the provider’s amount charged and our amount paid is your responsibility if you receive services from an Out-of-Network Provider.

You are responsible for these benefit denials only if you are responsible (not your provider) for notification. A PPO Provider in Iowa or South Dakota will handle notification requirements for you. If you see a PPO Provider outside Iowa or South Dakota, you are responsible for notification requirements. See Notification Requirements and Care Coordination, page 41.
5. Choosing a Provider

Provider Network

Under the medical benefits of this plan, your network of providers consists of PPO and Participating providers. All other providers are Out-of-Network Providers. Your medical benefits are called Alliance Select.

It relies on a preferred provider organization (PPO) network, which consists of providers that participate directly with Alliance Select and providers that participate with other Blue Cross and/or Blue Shield preferred provider organizations (PPOs). These PPO Providers offer services to members of contracting medical benefits plans at a reduced cost, which usually results in the least expense for you.

Non-PPO providers are either Participating or Out-of-Network. If you are unable to utilize a PPO Provider, it is usually to your advantage to visit what we call a Participating Provider. Participating Providers participate with a Blue Cross and/or Blue Shield Plan in another state or service area, but not with a PPO.

Other providers are considered Out-of-Network, and you will usually pay the most for services you receive from them.

Note, however that when you receive services from certain types of Participating and Out-of-Network providers, those services will be reimbursed as though they were received from a PPO Provider. These providers are:

- Anesthesiologists
- Pathologists
- Radiologists

However, because we do not have contracts with Out-of-Network Providers and they may not accept our payment arrangements, you will still be responsible for any difference between the billed charge and our settlement amount.

To determine if a provider participates with this medical benefits plan, ask your provider, refer to our online provider directory at Wellmark.com, or call the Customer Service number on your ID card.

Providers are independent contractors and are not agents or employees of Wellmark Blue Cross and Blue Shield of Iowa. For types of providers that may be covered under your medical benefits, see Hospitals and Facilities, page 20 and Physicians and Practitioners, page 24.

Please note: Even though a facility may be PPO or Participating, particular providers within the facility may not be PPO or Participating providers. Examples include Out-of-Network physicians on the staff of a PPO or Participating hospital, home medical equipment suppliers, and other independent providers. Therefore, when you are referred by a PPO or Participating provider to another provider, or when you are admitted into a facility, always ask if the providers contract with a Blue Cross and/or Blue Shield Plan.

Always carry your ID card and present it when you receive services. Information on it, especially the ID number, is required to process your claims correctly.

Pharmacies that contract with our pharmacy benefits manager are considered Participating Providers. Pharmacies that do not contract with our pharmacy benefits manager are considered Out-of-Network Providers. See Choosing a Pharmacy later in this section. To determine if a pharmacy
choosing a provider

contracts with our pharmacy benefits manager, ask the pharmacist or call the customer service number on your ID card.

*If you visit a PPO Provider outside the Wellmark service area, you are responsible for notification requirements. See Services Outside the Wellmark Service Area later in this section.

**Services Outside the Wellmark Service Area**

Whenever possible, before receiving services outside the Wellmark service area, you should ask the provider if he or she participates with a Blue Cross and/or Blue Shield Plan in that state. To locate PPO Providers in any state, call **800-810-BLUE**, or visit www.bcbs.com.

Iowa and South Dakota comprise the Wellmark service area.

**Laboratory services.** You may have laboratory specimens or samples collected by a PPO Provider and those laboratory specimens may be sent to another laboratory services provider for processing or testing. If that laboratory services provider does not have a contractual relationship with the Blue Plan where the specimen was drawn, that provider will be considered an Out-of-Network Provider and you will be responsible for any applicable Out-of-Network Provider payment obligations and you may also be responsible for any difference between the amount charged and our amount paid for the covered service.

**Home/durable medical equipment.** If you purchase or rent home/durable medical equipment from a provider that does not have a contractual relationship with the Blue Plan where you purchased or rented the equipment, that provider will be considered an Out-of-Network Provider and you will be responsible for any applicable Out-of-Network Provider payment obligations and you may also be responsible for any difference between the amount charged and our amount paid for the covered service.

This includes situations where you purchase or rent home/durable medical equipment and have the equipment shipped to you in Wellmark’s service area, when Wellmark does not have a contractual relationship with the home/durable medical equipment provider.
Prosthetic devices. If you purchase prosthetic devices from a provider that does not have a contractual relationship with the Blue Plan where you purchased the prosthetic devices, that provider will be considered an Out-of-Network Provider and you will be responsible for any applicable Out-of-Network Provider payment obligations and you may also be responsible for any difference between the amount charged and our amount paid for the covered service.

If you purchase prosthetic devices and have that equipment shipped to a service area of a Blue Plan that does not have a contractual relationship with the provider, that provider will be considered Out-of-Network and you will be responsible for any applicable Out-of-Network Provider payment obligations and you may also be responsible for any difference between the amount charged and our amount paid for the covered service. This includes situations where you purchase prosthetic devices and have them shipped to you in Wellmark’s service area, when Wellmark does not have a contractual relationship with the provider.

Talk to your provider. Whenever possible, before receiving laboratory services, home/durable medical equipment, or prosthetic devices, ask your provider to utilize a provider that has a contractual arrangement with the Blue Plan where you received services, purchased or rented equipment, or shipped equipment, or ask your provider to utilize a provider that has a contractual arrangement with Wellmark.

To determine if a provider has a contractual arrangement with a particular Blue Plan or with Wellmark, call the Customer Service number on your ID card or visit our website, Wellmark.com.

BlueCard Program. We have relationships with other Blue Cross and/or Blue Shield Plans. These relationships are generally referred to as Inter-Plan Programs. Whenever you obtain services outside Iowa or South Dakota, the claims for these services may be processed through one of these Inter-Plan Programs, which include the BlueCard Program. These programs ensure that members of any Blue Plan have access to the advantages of PPO Providers throughout the United States. Participating Providers have a contractual agreement with the Blue Cross or Blue Shield Plan in their home state (“Host Blue”). The Host Blue is responsible for contracting with and generally handling all interactions with its Participating Providers.

The BlueCard Program is one of the advantages of your coverage with Wellmark Blue Cross and Blue Shield. It provides conveniences and benefits outside the Wellmark service area similar to those you would have within our service area when you obtain covered medical services from a PPO Provider. Always carry your ID card (or BlueCard) and present it to your provider when you receive care. Information on it, especially the ID number, is required to process your claims correctly.

PPO Providers may not be available in some states. In this case, when you receive covered services from a non-PPO provider, you will receive the same advantages as when you receive covered services from a PPO Provider.

PPO Providers contract with the Blue Cross and/or Blue Shield preferred provider organization (PPO) in their home state.

When you receive covered services from PPO or Participating providers outside the Wellmark service area, all of the following statements are true:

- Claims are filed for you.
- These providers agree to accept payment arrangements or negotiated prices of the Blue Cross and/or Blue Shield Plan with which the provider contracts. These payment arrangements may result in savings.
- The health plan payment is sent directly to the providers.
Choosing a Provider

Typically, when you receive covered services from PPO or Participating providers outside the Wellmark service area, you are responsible for notification requirements. See Notification Requirements and Care Coordination, page 41. However, if you are admitted to a PPO or Participating facility outside the Wellmark service area, the PPO or Participating provider should handle notification requirements for you.

Care in a Foreign Country

For covered services you receive in a country other than the United States, payment level assumes the provider category is Out-of-Network except for services received from providers that participate with BlueCard Worldwide.

Blue Rx Complete

Choosing a Pharmacy

Your prescription drug benefits are called Blue Rx Complete. Pharmacies that participate with the network used by Blue Rx Complete are called participating pharmacies. Pharmacies that do not participate with the network are called nonparticipating pharmacies.

To determine if a pharmacy is participating, ask the pharmacist, consult the directory of participating pharmacies, visit our website at Wellmark.com, or call the Customer Service number on your ID card. Our directory also is available upon request by calling the Customer Service number on your ID card.

Blue Rx Complete allows you to purchase most covered prescription drugs from almost any pharmacy you choose. However, you will usually pay more for prescription drugs when you purchase them from nonparticipating pharmacies. Remember, you are responsible for the entire cost if you purchase a drug that is not on the Wellmark Drug List. We recommend you:

- Fill your prescriptions at a participating retail pharmacy or through the mail order drug program. See Mail Order Drug Program later in this section.
- Advise your physician that you are covered under Blue Rx Complete.
- Always present your ID card when filling prescriptions. Your ID card enables participating pharmacists to access your benefits information.

Advantages of Visiting Participating Pharmacies

When you fill your prescription at participating pharmacies:

- You will usually pay less. If you use a nonparticipating pharmacy, you must pay the amount charged at the time of purchase, and the amount we reimburse you may be less than what you paid. You are responsible for this difference.
- The participating pharmacist can check whether your prescription is subject to prior authorization or quantity limits.
- The participating pharmacist can access your benefit information, verify your eligibility, check whether the prescription is a benefit under your Blue Rx Complete prescription drug benefits, list the amount you are expected to pay, and suggest generic alternatives.

Always Present Your ID Card

If you do not have your ID card with you when you fill a prescription at a participating pharmacy, the pharmacist may not be able to access your benefit information. In this case:

- You must pay the full amount charged at the time you receive your prescription, and the amount we reimburse you may be less than what you paid. You are responsible for this difference.
- You must file your claim to be reimbursed. See Claims, page 73.
Mail Order Drug Program

When you fill your prescription through the mail order drug program, you will usually pay less than if you use a nonparticipating mail order pharmacy.

You must register as a mail service user in order to fill your prescriptions through the mail order drug program. For information on how to register, visit our website, Wellmark.com, or call the Customer Service number on your ID card.

Mail order pharmacy providers outside our mail order program are considered nonparticipating pharmacies. If you purchase covered drugs from nonparticipating mail order pharmacies, you will usually pay more.

When you purchase covered drugs from nonparticipating pharmacies you are responsible for the amount charged for the drug at the time you fill your prescription, and then you must file a claim to be reimbursed. Once you submit a claim, you will be reimbursed up to the maximum allowable fee of the drug, less your payment obligation. The maximum allowable fee may be less than the amount you paid. In other words, you are responsible for any difference in cost between what the pharmacy charges you for the drug and our reimbursement amount.

See Participating vs. Nonparticipating Pharmacies, page 54.
6. Notification Requirements and Care Coordination

Alliance Select

Many services require a notification to us or a review by us. If you do not follow notification requirements properly, you may have to pay for services yourself, so the information in this section is critical. For a complete list of services subject to notification or review, visit Wellmark.com or call the Customer Service number on your ID card.

Providers and Notification Requirements
PPO or Participating providers in Iowa and South Dakota should handle notification requirements for you. If you are admitted to a PPO or Participating facility outside Iowa or South Dakota, the PPO or Participating provider should handle notification requirements for you.

If you receive any other covered services (i.e., services unrelated to an inpatient admission) from a PPO or Participating provider outside Iowa or South Dakota, you or someone acting on your behalf are responsible for notification requirements.

More than one of the notification requirements and care coordination programs described in this section may apply to a service. Any notification or care coordination decision is based on the medical benefits in effect at the time of your request. If your coverage changes for any reason, you may be required to repeat the notification process.

You or your authorized representative, if you have designated one, may appeal a denial or reduction of benefits resulting from these notification requirements and care coordination programs. See Appeals, page 81. Also see Authorized Representative, page 85.

Precertification

<table>
<thead>
<tr>
<th>Purpose</th>
<th>Precertification helps determine whether a service or admission to a facility is medically necessary. Precertification is required; however, it does not apply to maternity or emergency services.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Applies to</td>
<td>For a complete list of the services subject to precertification, visit Wellmark.com or call the Customer Service number on your ID card.</td>
</tr>
</tbody>
</table>
**Person Responsible for Obtaining Precertification**

You or someone acting on your behalf are responsible for obtaining precertification if:

- You receive services subject to precertification from an Out-of-Network Provider; or
- You receive non-inpatient services subject to precertification from a PPO or Participating provider outside Iowa or South Dakota;

**Your Provider** should obtain precertification for you if:

- You receive services subject to precertification from a PPO Provider in Iowa or South Dakota; or
- You receive inpatient services subject to precertification from a PPO or Participating provider outside Iowa or South Dakota.

**Please note:** If you are ever in doubt whether precertification has been obtained, call the Customer Service number on your ID card.

---

**Process**

When you, instead of your provider, are responsible for precertification, call the phone number on your ID card before receiving services.

Wellmark will respond to a precertification request within:

- 72 hours in a medically urgent situation;
- 15 days in a non-medically urgent situation.

Precertification requests must include supporting clinical information to determine medical necessity of the service or admission.

After you receive the service(s), Wellmark may review the related medical records to confirm the records document the services subject to the approved precertification request. The medical records also must support the level of service billed and document that the services have been provided by the appropriate personnel with the appropriate level of supervision.
Importance

If you choose to receive services subject to precertification, you will be responsible for the charges as follows:

- If you receive services subject to precertification from an Out-of-Network Provider and we determine that the procedure was not medically necessary you will be responsible for the full charge.
- If you receive non-inpatient services from a PPO or Participating provider in another state or service area and we determine the procedure is medically necessary and otherwise covered, without precertification, benefits can be reduced by 100% of the maximum allowable fee, after which we subtract your applicable payment obligations.
- If you are admitted to a PPO or Participating inpatient facility, the provider, not you, will be responsible for any reduction for failure to complete the precertification process. **Please note:** It is important that you are aware of precertification requirements to help ensure that they are met.
- If you receive the services from an Out-of-Network Provider and we determine the procedure is medically necessary and otherwise covered, without precertification, benefits can be reduced by 100% of the maximum allowable fee, after which we subtract your applicable payment obligations. The maximum reduction will not exceed $500 per admission. This reduction maximum does not apply to home health services. See Maximum Allowable Fee, page 51. You are subject to this benefit reduction only if you receive the services from an Out-of-Network Provider.

Reduced or denied benefits that result from failure to follow notification requirements are not credited toward your out-of-pocket maximum. See *What You Pay*, page 5.

## Notification

<table>
<thead>
<tr>
<th>Purpose</th>
<th>Notification of most facility admissions and certain services helps us identify and initiate discharge planning or care coordination. Notification is required.</th>

</table>
### Notification Requirements and Care Coordination

When you, instead of your provider, are responsible for notification, call the phone number on your ID card before receiving services, except when you are unable to do so due to a medical emergency. In the case of an emergency admission, you must notify us within one business day of the admission or the receipt of services.

### Prior Approval

**Purpose**
Prior approval helps determine whether a proposed treatment plan is medically necessary and a benefit under your medical benefits. Prior approval is required.

**Applies to**
For a complete list of the services subject to prior approval, visit Wellmark.com or call the Customer Service number on your ID card.

**Person Responsible for Obtaining Prior Approval**
- **You** or someone acting on your behalf are responsible for obtaining prior approval if:
  - You receive services subject to prior approval from an Out-of-Network Provider; or
  - You receive non-inpatient services subject to prior approval from a PPO or Participating provider outside Iowa or South Dakota;

**Your Provider** should obtain prior approval for you if:
- You receive services subject to prior approval from a PPO Provider in Iowa or South Dakota; or
- You receive inpatient services subject to prior approval from a PPO or Participating provider outside Iowa or South Dakota.

**Please note:** If you are ever in doubt whether prior approval has been obtained, call the Customer Service number on your ID card.

**Process**
When you, instead of your provider, are responsible for requesting prior approval, call the number on your ID card to obtain a prior approval form and ask the provider to help you complete the form.

Wellmark will determine whether the requested service is medically necessary and eligible for benefits based on the written information submitted to us. We will respond to a prior approval request in writing to you and your provider within:
- 72 hours in a medically urgent situation.
- 15 days in a non-medically urgent situation.

Prior approval requests must include supporting clinical information to determine medical necessity of the services or supplies.
Importance

If your request is approved, the service is covered provided other contractual requirements, such as member eligibility and benefit maximums, are observed. If your request is denied, the service is not covered, and you will receive a notice with the reasons for denial.

If you do not request prior approval for a service, the benefit for that service will be denied on the basis that you did not request prior approval.

Upon receiving an Explanation of Benefits (EOB) indicating a denial of benefits for failure to request prior approval, you will have the opportunity to appeal (see the Appeals section) and provide us with medical information for our consideration in determining whether the services were medically necessary and a benefit under your medical benefits. Upon review, if we determine the service was medically necessary and a benefit under your medical benefits, the benefit for that service will be provided according to the terms of your medical benefits.

Approved services are eligible for benefits for a limited time. Approval is based on the medical benefits in effect and the information we had as of the approval date. If your coverage changes for any reason (for example, because of a new job or new medical benefits), an approval may not be valid. If your coverage changes before the approved service is performed, a new approval is recommended.

Note: When prior approval is required, and an admission to a facility is required for that service, the admission also may be subject to notification or precertification. See Precertification and Notification earlier in this section.

---

**Concurrent Review**

**Purpose**

Concurrent review is a utilization review conducted during a member's facility stay or course of treatment at home or in a facility setting to determine whether the place or level of service is medically necessary. This care coordination program occurs without any notification required from you.

**Applies to**

For a complete list of the services subject to concurrent review, visit Wellmark.com or call the Customer Service number on your ID card.

**Person Responsible**

Wellmark

**Process**

Wellmark may review your case to determine whether your current level of care is medically necessary.

Responses to Wellmark's concurrent review requests must include supporting clinical information to determine medical necessity as a condition of your coverage.

**Importance**

Wellmark may require a change in the level or place of service in order to continue providing benefits. If we determine that your current facility setting or level of care is no longer medically necessary, we will notify you, your attending physician, and the facility or agency at least 24 hours before your benefits for these services end.
### Case Management

<table>
<thead>
<tr>
<th><strong>Purpose</strong></th>
<th>Case management is intended to identify and assist members with the most severe illnesses by collaborating with members, members’ families, and providers to develop individualized care plans.</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Applies to</strong></td>
<td>A wide group of members including those who have experienced potentially preventable emergency room visits; hospital admissions/readmissions; those with catastrophic or high cost health care needs; those with potential long term illnesses; and those newly diagnosed with health conditions requiring life-time management. Examples where case management might be appropriate include but are not limited to:</td>
</tr>
<tr>
<td></td>
<td>Brain or Spinal Cord Injuries</td>
</tr>
<tr>
<td></td>
<td>Cystic Fibrosis</td>
</tr>
<tr>
<td></td>
<td>Degenerative Muscle Disorders</td>
</tr>
<tr>
<td></td>
<td>Hemophilia</td>
</tr>
<tr>
<td></td>
<td>Pregnancy (high risk)</td>
</tr>
<tr>
<td></td>
<td>Transplants</td>
</tr>
<tr>
<td><strong>Person Responsible</strong></td>
<td>You, your physician, and the health care facility can work with Wellmark’s case managers. Wellmark may initiate a request for case management.</td>
</tr>
<tr>
<td><strong>Process</strong></td>
<td>Members are identified and referred to the Case Management program through Customer Service and claims information, referrals from providers or family members, and self-referrals from members.</td>
</tr>
<tr>
<td><strong>Importance</strong></td>
<td>Case management is intended to identify and coordinate appropriate care and care alternatives including reviewing medical necessity; negotiating care and services; identifying barriers to care including contract limitations and evaluation of solutions outside the health plan; assisting the member and family to identify appropriate community-based resources or government programs; and assisting members in the transition of care when there is a change in coverage.</td>

### Blue Rx Complete

### Prior Authorization of Drugs

<table>
<thead>
<tr>
<th><strong>Purpose</strong></th>
<th>Prior authorization allows us to verify that a prescription drug is part of a specific treatment plan and is medically necessary. In some cases prior authorization may also allow a drug that is normally excluded to be covered if it is part of a specific treatment plan and medically necessary.</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Applies to</strong></td>
<td>Prior authorization is required for a number of particular drugs. Visit Wellmark.com or check with your pharmacist or practitioner to determine whether prior authorization applies to a drug that has been prescribed for you.</td>
</tr>
<tr>
<td>Person Responsible</td>
<td>You are responsible for prior authorization.</td>
</tr>
<tr>
<td>--------------------</td>
<td>---------------------------------------------</td>
</tr>
<tr>
<td>Process</td>
<td>Ask your practitioner to call us with the necessary information. If your practitioner has not provided the prior authorization information, participating pharmacists usually ask for it, which may delay filling your prescription. To avoid delays, encourage your provider to complete the prior authorization process before filling your prescription. Nonparticipating pharmacists will fill a prescription without prior authorization but you will be responsible for paying the charge. Wellmark will respond to a prior authorization request within:</td>
</tr>
<tr>
<td></td>
<td>72 hours in a medically urgent situation.</td>
</tr>
<tr>
<td></td>
<td>15 days in a non-medically urgent situation.</td>
</tr>
<tr>
<td>Importance</td>
<td>Calls received after 4:00 p.m. are considered the next business day.</td>
</tr>
<tr>
<td></td>
<td>If you purchase a drug that requires prior authorization but do not obtain prior authorization, you are responsible for paying the entire amount charged.</td>
</tr>
</tbody>
</table>
7. Factors Affecting What You Pay

How much you pay for covered services is affected by many different factors discussed in this section.

Alliance Select

Benefit Year

A benefit year is a period of 12 consecutive months beginning on January 1 or beginning on the day your coverage goes into effect. The benefit year starts over each January 1. Your benefit year continues even if your employer or group sponsor changes Wellmark group health plan benefits during the year or you change to a different plan offering mid-benefit year from your same employer or group sponsor.

Certain coverage changes result in your Wellmark identification number changing. In some cases, a new benefit year will start under the new ID number for the rest of the benefit year. In this case, the benefit year would be less than a full 12 months. In other cases (e.g., adding your spouse to your coverage) the benefit year would continue and not start over.

If you are an inpatient in a covered facility on the date of your annual benefit year renewal, your benefit limitations and payment obligations, including your deductible and out-of-pocket maximum, for facility services will renew and will be based on the benefit limitations and payment obligation amounts in effect on the date you were admitted. However, your payment obligations, including your deductible and out-of-pocket maximum, for practitioner services will be based on the payment obligation amounts in effect on the day you receive services.

The benefit year is important for calculating:

- Benefit maximum.

How Coinsurance is Calculated

The amount on which coinsurance is calculated depends on the state where you receive a covered service and the contracting status of the provider.

PPO Providers in the Wellmark Service Area and Out-of-Network Providers

Coinsurance is calculated using the payment arrangement amount after the following amounts (if applicable) are subtracted from it:

- Deductible.
- Amounts representing any general exclusions and conditions. See General Conditions of Coverage, Exclusions, and Limitations, page 31.

PPO and Participating Providers Outside the Wellmark Service Area

The coinsurance for covered services is calculated on the lower of:

- The amount charged for the covered service, or
- The negotiated price that the Host Blue makes available to Wellmark after the following amounts (if applicable) are subtracted from it:
  - Deductible.
  - Amounts representing any general exclusions and conditions. See General Conditions of Coverage, Exclusions, and Limitations, page 31.

Often, the negotiated price will be a simple discount that reflects an actual price the local Host Blue paid to your provider.
Sometimes, the negotiated price is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, the negotiated price may be an average price based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price. Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or under-estimation of modifications of past pricing for the types of transaction modifications noted previously. However, such adjustments will not affect the price we use for your claim because they will not be applied retroactively to claims already paid.

Occasionally, claims for services you receive from a provider that participates with a Blue Cross and/or Blue Shield Plan outside of Iowa or South Dakota may need to be processed by Wellmark instead of by the BlueCard Program. In that case, coinsurance is calculated using the amount charged for covered services after the following amounts (if applicable) are subtracted from it:

- Deductible.
- Amounts representing any general exclusions and conditions. See General Conditions of Coverage, Exclusions, and Limitations, page 31.

Laws in a small number of states may require the Host Blue Plan to add a surcharge to your calculation. If any state laws mandate other liability calculation methods, including a surcharge, Wellmark will calculate your payment obligation for any covered services according to applicable law. For more information, see BlueCard Program, page 37.

**Provider Network**

Under the medical benefits of this plan, your network of providers consists of PPO and Participating providers. All other providers are Out-of-Network Providers.

**PPO Providers**

Blue Cross and Blue Shield Plans have contracting relationships with PPO Providers. When you receive services from PPO Providers:

- The PPO payment obligation amounts may be waived or may be less than the Participating and Out-of-Network amounts for certain covered services. See Waived Payment Obligations, page 9.
- These providers agree to accept Wellmark’s payment arrangements, or payment arrangements or negotiated prices of the Blue Cross and Blue Shield Plan with which the provider contracts. These payment arrangements may result in savings.
- The health plan payment is sent directly to the provider.

**Participating Providers**

Wellmark and Blue Cross and/or Blue Shield Plans have contracting relationships with Participating Providers. Pharmacies that contract with our pharmacy benefits manager are considered Participating Providers. To determine if a pharmacy contracts with our pharmacy benefits manager, ask the pharmacist or call the Customer Service number on your ID card.

When you receive services from Participating Providers:

- These providers agree to accept Wellmark’s payment arrangements or payment arrangements or negotiated prices of the Blue Cross and Blue Shield Plan with which the provider contracts. These payment arrangements may result in savings.
- The health plan payment is sent directly to the provider.
Out-of-Network Providers

Wellmark and Blue Cross and/or Blue Shield Plans do not have contracting relationships with Out-of-Network Providers, and they may not accept our payment arrangements. Pharmacies that do not contract with our pharmacy benefits manager are considered Out-of-Network Providers. Therefore, when you receive services from Out-of-Network Providers:

- You are responsible for any difference between the amount charged and our payment for a covered service. In the case of services received outside Iowa or South Dakota, our maximum payment for services by an Out-of-Network Provider will generally be based on either the Host Blue’s Out-of-Network Provider local payment or the pricing arrangements required by applicable state law. In certain situations, we may use other payment bases, such as the amount charged for a covered service, the payment we would make if the services had been obtained within Iowa or South Dakota, or a special negotiated payment, as permitted under Inter-Plan Programs policies, to determine the amount we will pay for services you receive from Out-of-Network Providers. See Services Outside the Wellmark Service Area, page 36.
- Wellmark does not make claim payments directly to these providers. You are responsible for ensuring that your provider is paid in full.
- The health plan payment for Out-of-Network hospitals, M.D.s, and D.O.s in Iowa is made payable to the provider, but the check is sent to you. You are responsible for forwarding the check to the provider (plus any billed balance you may owe).

Amount Charged and Maximum Allowable Fee

Amount Charged
The amount charged is the amount a provider charges for a service or supply, regardless of whether the services or supplies are covered under your medical benefits.

Maximum Allowable Fee
The maximum allowable fee is the amount, established by Wellmark, using various methodologies, for covered services and supplies. Wellmark’s amount paid may be based on the lesser of the amount charged for a covered service or supply or the maximum allowable fee.

Payment Arrangements

Payment Arrangement Savings
Wellmark has contracting relationships with PPO Providers. We use different methods to determine payment arrangements, including negotiated fees. These payment arrangements usually result in savings.

The savings from payment arrangements and other important amounts will appear on your Explanation of Benefits statement as follows:

- **Network Savings**, which reflects the amount you save on a claim by receiving services from a Participating or PPO provider. For the majority of services, the savings reflects the actual amount saved on a claim. However, depending on many factors, the amount we pay a provider could be different from the covered charge. Regardless of the amount we pay a Participating or PPO provider, your payment responsibility will always be based on the lesser of the covered charge or the maximum allowable fee.
- **Amount Not Covered**, which reflects the portion of provider charges not covered under your health benefits and for which you are responsible. This amount may include services or supplies not covered;
amounts in excess of a benefit maximum, benefit year maximum, or lifetime benefits maximum; reductions or denials for failure to follow a required precertification; and the difference between the amount charged and the maximum allowable fee for services from an Out-of-Network Provider. For general exclusions and examples of benefit limitations, see General Conditions of Coverage, Exclusions, and Limitations, page 31.

- **Amount Paid by Health Plan**, which reflects our payment responsibility to a provider or to you. We determine this amount by subtracting the following amounts (if applicable) from the amount charged:
  - Deductible.
  - Coinsurance.
  - Copayment.
  - Amounts representing any general exclusions and conditions.
  - Network savings.

**Payment Method for Services**
When you receive a covered service or services that result in multiple claims, we will calculate your payment obligations based on the order in which we process the claims.

**Provider Payment Arrangements**
Provider payment arrangements are calculated using industry methods, including but not limited to fee schedules, per diems, percentage of charge, capitation, or episodes of care. Some provider payment arrangements may include an amount payable to the provider based on the provider’s performance. Performance-based amounts that are not distributed are not allocated to your specific group or to your specific claims and are not considered when determining any amounts you may owe. We reserve the right to change the methodology we use to calculate payment arrangements based on industry practice or business need. PPO and Participating providers agree to accept our payment arrangements as full settlement for providing covered services, except to the extent of any amounts you may owe.

**Pharmacy Benefits Manager Fees and Drug Company Rebates**
Wellmark contracts with a pharmacy benefits manager to provide pharmacy benefits management services to its accounts, such as your group. Your group is to pay a monthly fee for such services.

Drug manufacturers offer rebates to pharmacy benefits managers. After your group has had Wellmark prescription drug coverage for at least nine months, the pharmacy benefits manager contracting with Wellmark will calculate, on a quarterly basis, your group’s use of drugs for which rebates have been paid. Wellmark receives these rebates. Your group will be credited with rebate amounts forwarded to us by the pharmacy benefits manager unless your group’s arrangement with us requires us to reduce such rebated amounts by the amount of any fees we paid to the pharmacy benefits manager for the services rendered to your group. We will not distribute these rebate amounts to you, and rebates will not be considered when determining your payment obligations.

**Benefit Year**
A benefit year is a period of 12 consecutive months beginning on January 1 or beginning on the day your coverage goes into effect. The benefit year starts over each January 1. Your benefit year continues even if your employer or group sponsor changes Wellmark group health plan benefits during the year or you change to a different plan offering mid-benefit year from your same employer or group sponsor.
Certain coverage changes result in your Wellmark identification number changing. In some cases, a new benefit year will start under the new ID number for the rest of the benefit year. In this case, the benefit year would be less than a full 12 months. In other cases (e.g., adding your spouse to your coverage) the benefit year would continue and not start over.

**Wellmark Blue Rx Complete Drug List**

Often there is more than one medication available to treat the same medical condition. The Wellmark Blue Rx Complete Drug List ("Drug List") contains drugs physicians recognize as medically effective for a wide range of health conditions.

The Drug List is maintained with the assistance of practicing physicians, pharmacists, and Wellmark’s pharmacy department.

To determine if a drug is covered, you or your physician must consult the Drug List. If a drug is not on the Drug List, it is not covered.

If you need help determining if a particular drug is on the Drug List, ask your physician or pharmacist, visit our website, Wellmark.com, or call the Customer Service number on your ID card.

Although only drugs listed on the Drug List are covered, physicians are not limited to prescribing only the drugs on the list. Physicians may prescribe any medication, but only medications on the Drug List are covered. **Please note:** A medication on the Drug List will not be covered if the drug is specifically excluded under your Blue Rx Complete prescription drug benefits, or other limitations apply.

If a drug is not on the Wellmark Blue Rx Complete Drug List and you believe it should be covered, refer to *Exception Requests for Non-Formulary Prescription Drugs*, page 75.

The Wellmark Blue Rx Complete Drug List is subject to change.

**Tiers**

The Wellmark Blue Rx Complete Drug List also identifies which tier a drug is on:

**Tier 1.** Most generic drugs and some brand-name drugs that have no generic equivalent. Tier 1 drugs have the lowest payment obligation.

**Tier 2.** Drugs appear on this tier because they either have no generic equivalent or are considered less cost-effective than Tier 1 drugs. Tier 2 drugs have a higher payment obligation than Tier 1 drugs.

**Tier 3.** Drugs appear on this tier because they are less cost-effective than Tier 1 or Tier 2 drugs. Tier 3 drugs have a higher payment obligation than Tier 1 or Tier 2 drugs.

**Tier 4.** Drugs available as combination products or lifestyle drugs. Tier 4 drugs have the same payment obligation as Tier 3 drugs.

**Generic and Brand Name Drugs**

**Generic Drug**

Generic drug refers to an FDA-approved “A”-rated generic drug. This is a drug with active therapeutic ingredients chemically identical to its brand name drug counterpart.

**Brand Name Drug**

Brand name drug is a prescription drug patented by the original manufacturer. Usually, after the patent expires, other manufacturers may make FDA-approved generic copies.

Sometimes, a patent holder of a brand name drug grants a license to another manufacturer to produce the drug under a generic name, though it remains subject to patent protection and has a nearly identical price. In these cases, Wellmark’s pharmacy benefits manager may treat the licensed product as a brand name drug, rather than
Factors Affecting What You Pay

generic, and will calculate your payment obligation accordingly.

**What You Pay**
In most cases, when you purchase a brand name drug that has an FDA-approved “A”-rated generic equivalent, Wellmark will pay only what it would have paid for the equivalent generic drug. You will be responsible for your payment obligation for the brand name drug and any remaining cost difference up to the maximum allowed fee for the brand name drug.

However, if your physician writes “dispense as written” on your prescription

- You will not be responsible for the cost difference between the generic drug and the brand name drug;
- You will be responsible for your payment obligation for the brand name drug.

**Quantity Limitations**
Most prescription drugs are limited to a maximum quantity you may receive in a single prescription.

Federal regulations limit the quantity that may be dispensed for certain medications. If your prescription is so regulated, it may not be available in the amount prescribed by your physician.

In addition, coverage for certain drugs is limited to specific quantities per month, benefit year, or lifetime. Amounts in excess of quantity limitations are not covered.

For a list of drugs with quantity limits, check with your pharmacist or physician or consult the Wellmark Blue Rx Complete Drug List at [Wellmark.com](http://Wellmark.com), or call the Customer Service number on your ID card.

**Amount Charged and Maximum Allowable Fee**

**Amount Charged**
The retail price charged by a pharmacy for a covered prescription drug.

**Maximum Allowable Fee**
The amount, established by Wellmark using various methodologies and data (such as the average wholesale price), payable for covered drugs.

The maximum allowable fee may be less than the amount charged for the drug.

**Participating vs. Nonparticipating Pharmacies**
If you purchase a covered prescription drug at a nonparticipating pharmacy, you are responsible for the amount charged for the drug at the time you fill your prescription, and then you must file a claim.

Once you submit a claim, you will be reimbursed up to the maximum allowable fee of the drug, less your copayment. The maximum allowable fee may be less than the amount you paid. In other words, you are responsible for any difference in cost between what the pharmacy charges you for the drug and our reimbursement amount.

Your payment obligation for the purchase of a covered prescription drug at a participating pharmacy is the lesser of your copayment, the maximum allowable fee, or the amount charged for the drug.

To determine if a pharmacy is participating, ask the pharmacist, consult the directory of participating pharmacies, visit our website at [Wellmark.com](http://Wellmark.com), or call the Customer Service number on your ID card. Our directory also is available upon request by calling the Customer Service number on your ID card.

**Special Programs**
We evaluate and monitor changes in the pharmaceutical industry in order to determine clinically effective and cost-effective coverage options. These evaluations may prompt us to offer programs that encourage the use of reasonable alternatives. For example, we may, at our discretion, temporarily waive your payment obligation on a qualifying prescription drug purchase.
Factors Affecting What You Pay

Visit our website at Wellmark.com or call us to determine whether your prescription qualifies.

Savings and Rebates

Payment Arrangements
The benefits manager of this prescription drug program has established payment arrangements with participating pharmacies that may result in savings.

Pharmacy Benefits Manager Fees and Drug Company Rebates
Wellmark contracts with a pharmacy benefits manager to provide pharmacy benefits management services to its accounts, such as your group. Your group is to pay a monthly fee for such services.

Drug manufacturers offer rebates to pharmacy benefits managers. After your group has had Wellmark prescription drug coverage for at least nine months, the pharmacy benefits manager contracting with Wellmark will calculate, on a quarterly basis, your group’s use of drugs for which rebates have been paid. Wellmark receives these rebates. Your group will be credited with rebate amounts forwarded to us by the pharmacy benefits manager unless your group’s arrangement with us requires us to reduce such rebated amounts by the amount of any fees we paid to the pharmacy benefits manager for the services rendered to your group. We will not distribute these rebate amounts to you, and rebates will not be considered when determining your payment obligations.
8. Coverage Eligibility and Effective Date

Eligible Members
You are eligible for coverage if you meet your employer’s or group sponsor’s eligibility requirements. Your spouse or domestic partner may also be eligible for coverage if spouses or domestic partners are covered under this plan.

If a child is eligible for coverage under the employer’s or group sponsor’s eligibility requirements, the child must next have one of the following relationships to the plan member or an enrolled spouse or domestic partner:

- A natural child.
- Legally adopted or placed for adoption (that is, you assume a legal obligation to provide full or partial support and intend to adopt the child).
- A child for whom you have legal guardianship.
- A stepchild.
- A foster child.
- A natural child a court orders to be covered.

A child who has been placed in your home for the purpose of adoption or whom you have adopted is eligible for coverage on the date of placement for adoption or the date of actual adoption, whichever occurs first.

Please note: You must notify us or your employer or group sponsor if you enter into an arrangement to provide surrogate parent services: Contact your employer or group sponsor or call the Customer Service number on your ID card.

In addition, a child must be one of the following:

- Under age 26.
- An unmarried child who is totally and permanently disabled, physically or mentally. The disability must have existed before the child turned age 26.

Enrollment Requirements
Each eligible employee who began work before the effective date of this coverage is eligible to enroll for this coverage on the effective date. New, eligible employees hired on the first of the month are effective that day, otherwise, new, eligible employees may enroll for coverage on the first of the month following their date of employment. The application must be received by us no later than 31 days following eligibility.

Please note: In addition to the preceding requirements, eligibility is affected by coverage enrollment events and coverage termination events. See Coverage Change Events, page 61.

Eligibility Requirements
The following are eligibility requirements for participating in this health benefits plan.

Eligible Employees. Full-time regular (non-temporary) employees and part-time employees are covered if working at least 1000 hours per year, or a faculty member who teaches a minimum of four courses (or the equivalent of work credits and courses that equal four courses) per year.

Severance Plan Participants. You are eligible to continue participating under this health benefits plan if:

- You are covered under this plan at the time you retire with this employer or group sponsor, and
- You are age 60 before September 1, 2012, and
- You are a severance plan participant, and
- You were hired before April, 14, 1991.

Full time rates apply if working at least 1,560 hours for an exempt employee, and at least 1,463 hours for a non-exempt employee. This benefit is pro-rated if
working between 1,000 to 1,559 hours as an exempt employee, and between 1,000-1,462 hours for a non-exempt employee.

**When Coverage Begins**
Coverage begins on the member’s effective date. If you have just started a new job, or if a coverage enrollment event allows you to add a new member, ask your employer or group sponsor about your effective date. Services received before the effective date of coverage are not eligible for benefits.

**Late Enrollees**
A late enrollee is a member who declines coverage when initially eligible to enroll and then later wishes to enroll for coverage. However, a member is not a late enrollee if a qualifying enrollment event allows enrollment as a special enrollee, even if the enrollment event coincides with a late enrollment opportunity. See **Coverage Change Events**, page 61.

A late enrollee may enroll for coverage at the group’s next renewal or enrollment period.

**Changes to Information Related to You or to Your Benefits**
Wellmark may, from time to time, permit changes to information relating to you or to your benefits. In such situations, Wellmark shall not be required to reprocess claims as a result of any such changes.

**Qualified Medical Child Support Order**
If you have a dependent child and you or your spouse’s employer or group sponsor receives a Medical Child Support Order recognizing the child’s right to enroll in this group health plan or in your spouse’s benefits plan, the employer or group sponsor will promptly notify you or your spouse and the dependent that the order has been received. The employer or group sponsor also will inform you or your spouse and the dependent of its procedures for determining whether the order is a Qualified Medical Child Support Order (QMCSO). Participants and beneficiaries can obtain, without charge, a copy of such procedures from the plan administrator.

A QMCSO specifies information such as:
- Your name and last known mailing address.
- The name and mailing address of the dependent specified in the court order.
- A reasonable description of the type of coverage to be provided to the dependent or the manner in which the type of coverage will be determined.

A Qualified Medical Child Support Order cannot require that a benefits plan provide any type or form of benefit or option not otherwise provided under the plan, except as necessary to meet requirements of Iowa Code Chapter 252E (2001) or Social Security Act Section 1908 with respect to group health plans.

The order and the notice given by the employer or group sponsor will provide additional information, including actions that you and the appropriate insurer must take to determine the dependent’s eligibility and procedures for enrollment in the benefits plan, which must be done within specified time limits.

If eligible, the dependent will have the same coverage as you or your spouse and will be allowed to enroll immediately. You or your spouse’s employer or group sponsor will withhold any applicable share of the dependent’s health care premiums from your compensation and forward this amount to us.

If you are subject to a waiting period that expires more than 90 days after the insurer receives the QMCSO, your employer or group sponsor must notify us when you become eligible for enrollment. Enrollment of the dependent will commence after you have satisfied the waiting period.
The dependent may designate another person, such as a custodial parent or legal guardian, to receive copies of explanations of benefits, checks, and other materials.

Your employer or group sponsor may not revoke enrollment or eliminate coverage for a dependent unless the employer or group sponsor receives satisfactory written evidence that:

- The court or administrative order requiring coverage in a group health plan is no longer in effect;
- The dependent’s eligibility for or enrollment in a comparable benefits plan that takes effect on or before the date the dependent’s enrollment in this group health plan terminates; or
- The employer eliminates dependent health coverage for all employees.

The employer or group sponsor is not required to maintain the dependent’s coverage if:

- You or your spouse no longer pay premiums because the employer or group sponsor no longer owes compensation; or
- You or your spouse have terminated employment with the employer and have not elected to continue coverage.

Family and Medical Leave Act of 1993

The Family and Medical Leave Act of 1993 (FMLA), requires a covered employer to allow an employee with 12 months or more of service who has worked for 1,250 hours over the previous 12 months and who is employed at a worksite where 50 or more employees are employed by the employer within 75 miles of that worksite a total of 12 weeks of leave per fiscal year for the birth of a child, placement of a child with the employee for adoption or foster care, care for the spouse, child or parent of the employee if the individual has a serious health condition or because of a serious health condition, the employee is unable to perform any one of the essential functions of the employee’s regular position. In addition, FMLA requires an employer to allow eligible employees to take up to 12 weeks of leave per 12-month period for qualifying exigencies arising out of a covered family member’s active military duty in support of a contingency operation and to take up to 26 weeks of leave during a single 12-month period to care for a covered family member recovering from a serious illness or injury incurred in the line of duty during active service.

Any employee taking a leave under the FMLA shall be entitled to continue the employee’s benefits during the duration of the leave. The employer must continue the benefits at the level and under the conditions of coverage that would have been provided if the employee had remained employed. Please note: The employee is still responsible for paying their share of the premium if applicable. If the employee for any reason fails to return from the leave, the employer may recover from the employee that premium or portion of the premium that the employer paid, provided the employee fails to return to work for any reason other than the reoccurrence of the serious health condition or circumstances beyond the control of the employee.

Leave taken under the FMLA does not constitute a qualifying event so as to trigger COBRA rights. However, a qualifying event triggering COBRA coverage may occur when it becomes known that the employee is not returning to work. Therefore, if an employee does not return at the end of the approved period of Family and Medical Leave and terminates employment with employer, the COBRA qualifying event occurs at that time.

If you have any questions regarding your eligibility or obligations under the FMLA, contact your employer or group sponsor.

Discretionary Unpaid Leave Policy

Your employer or group sponsor may elect to grant up to a 30-calendar day, unpaid
discretionary leave to employees who need time off that does not meet other policy parameters, or who have exhausted time off under another policy (FMLA, Pregnancy Leave Act, vacation, sick time).

Time off under this policy must be requested via the Discretionary Leave Request form and granting this time off is at the discretion of the division head and Human Resources. Requests will be considered on a case-by-case basis. The needs of your employer or group sponsor will take precedence. Other factors will have to be considered, including who else has need of time off during the same period and how well work can be covered without incurring additional costs.

During discretionary leave the employee’s job will be held and benefits that were in effect for the employee will remain in effect, at employee premium rates. Additional vacation and sick leave will not accrue during discretionary leave. Benefits for which payments are required will necessitate making arrangements with Human Resources for continued payment. Policy changes, including premium changes that might occur during the leave will apply to those on discretionary leave.

In order to make a work day whole, discretionary leave may be used in partial day increments. For example, an employee may have only a partial day of FMLA left and may complete that day with discretionary leave.

While on discretionary leave, employees must check in with their supervisor weekly to ensure continued leave is necessary and that nothing has changed with the department’s needs.

If you are unable to return to work at the end of discretionary leave, your employment will be terminated.

**Policy Questions**
Questions pertaining to this policy should be directed to your supervisor, division vice-president, or director of Human Resources.

It is the responsibility of the director of Human Resources to keep this policy up-to-date in conjunction with any changes in legal requirements.

**Scope**
This policy applies to staff.
9. Coverage Changes and Termination

Certain events may require or allow you to add or remove persons who are covered by this group health plan.

**Coverage Change Events**

**Coverage Enrollment Events:** The following events allow you or your eligible child to enroll for coverage. The following events may also allow your spouse or domestic partner to enroll for coverage if spouses or domestic partners are eligible for coverage under this plan. If your employer or group sponsor offers more than one group health plan, the event also allows you to move from one plan option to another.

- Birth, adoption, or placement for adoption by an approved agency.
- Marriage.
- Exhaustion of COBRA coverage.
- You or your eligible spouse or your dependent loses eligibility for creditable coverage or his or her employer or group sponsor ceases contribution to creditable coverage.
- Spouse (if eligible for coverage) loses coverage through his or her employer.
- You lose eligibility for coverage under Medicaid or the Children's Health Insurance Program (CHIP) (the hawk-i plan in Iowa).
- You become eligible for premium assistance under Medicaid or CHIP.

The following events allow you to add only the new dependent resulting from the event:

- Addition of a natural child by court order. See *Qualified Medical Child Support Order*, page 58.
- Appointment as a child’s legal guardian.
- Placement of a foster child in your home by an approved agency.

**Coverage Removal Events:** The following events require you to remove the affected family member from your coverage:

- Death.
- Divorce or annulment. Legal separation, also, may result in removal from coverage. If you become legally separated, notify your employer or group sponsor.
- Medicare eligibility. If you become eligible for Medicare, you must notify your employer or group sponsor immediately. If you are eligible for this group health plan other than as a current employee or a current employee’s spouse, your Medicare eligibility may terminate this coverage.

In case of the following coverage removal events, the affected child’s coverage may be continued until the end of the month on or after the date of the event:

- Child who is not permanently disabled reaches age 26.
- Marriage of a permanently disabled child age 26 or older.

**Requirement to Notify Group Sponsor**

You must notify your employer or group sponsor within 31 days of most events that change the coverage status of members and within 60 days of events related to Medicaid or CHIP eligibility. If you do not provide timely notification of an event that requires you to remove an affected family member, your coverage may be terminated.

If you do not provide timely notification of a coverage enrollment event, the affected person may not enroll until an annual group enrollment period.

**The Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA)**

Your group health plan will fully comply with the Uniformed Services Employment
USERRA provides for, among other employment rights and benefits, continuation of health care coverage to a covered employee and the employee’s covered dependents during a period of the employee’s active service or training with any of the uniformed services. The plan provides that a covered employee may elect to continue coverages in effect at the time the employee is called to active service. The maximum period of coverage for an employee and the covered employee’s dependents under such an election shall be the lesser of:

- The 24-month period beginning on the date on which the covered employee’s absence begins; or
- The period beginning on the date on which the covered employee’s absence begins and ending on the day after the date on which the covered employee fails to apply for or return to a position of employment as follows:
  - For service of less than 31 days, no later than the beginning of the first full regularly scheduled work period on the first full calendar day following the completion of the period of service and the expiration of eight hours after a period allowing for the safe transportation from the place of service to the covered employee’s residence or as soon as reasonably possible after such eight hour period;
  - For service of more than 30 days but less than 181 days, no later than 14 days after the completion of the period of service or as soon as reasonably possible after such period;
  - For service of more than 180 days, no later than 90 days after the completion of the period of service; or
  - For a covered employee who is hospitalized or convalescing from an illness or injury incurred in or aggravated during the performance of service in the uniformed services, at the end of the period that is necessary for the covered employee to recover from the illness or injury. The period of recovery may not exceed two (2) years.

A covered employee who elects to continue health plan coverage under the plan during a period of active service in the uniformed services may be required to pay no more than 102% of the full premium under the plan associated with the coverage for the employer's other employees. This is true except in the case of a covered employee who performs service in the uniformed services for less than 31 days. When this is the case, the covered employee may not be required to pay more than the employee’s share, if any, for the coverage. Continuation coverage cannot be discontinued merely because activated military personnel receive health coverage as active duty members of the uniformed services and their family members are eligible to receive coverage under the TRICARE program (formerly CHAMPUS).

When a covered employee’s coverage under a health plan was terminated by reason of service in the uniformed services, the preexisting condition exclusion and waiting period may not be imposed in connection with the reinstatement of the coverage upon reemployment under USERRA. This applies to a covered employee who is reemployed and any dependent whose coverage is reinstated. The waiver of the preexisting condition exclusion shall not apply to illness or injury which occurred or was aggravated during performance of service in the uniformed services.
Uniformed services includes full-time and reserve components of the United States Army, Navy, Air Force, Marines and Coast Guard, the Army National Guard, the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or emergency.

If you are a covered employee called to a period of active service in the uniformed service, you should check with the plan administrator for a more complete explanation of your rights and obligations under USERRA.

**Coverage Termination**

The following events terminate your coverage eligibility.

- You become unemployed when your eligibility is based on employment.
- You become ineligible under your employer’s or group sponsor’s eligibility requirements for reasons other than unemployment.
- Your employer or group sponsor discontinues or replaces this group health plan.
- We terminate coverage of all similar group health plans by written notice to your employer or group sponsor 90 days prior to termination.

Also see *Fraud or Intentional Misrepresentation of Material Facts*, and *Nonpayment* later in this section.

When you become unemployed and your eligibility is based on employment, your coverage will end at the end of the month your employment ends. When your coverage terminates for all other reasons, check with your employer or group sponsor or call the Customer Service number on your ID card to verify the coverage termination date.

If you receive covered facility services as an inpatient of a hospital or a resident of a nursing facility on the date your coverage eligibility terminates, payment for the covered facility services will end on the earliest of the following:

- The end of your remaining days of coverage under this benefits plan.
- The date you are discharged from the hospital or nursing facility following termination of your coverage eligibility.
- A period not more than 60 days from the date of termination.

Only facility services will be covered under this extension of benefits provision. Benefits for professional services will end on the date of termination of your coverage eligibility.

**Fraud or Intentional Misrepresentation of Material Facts**

Your coverage will terminate immediately if:

- You use this group health plan fraudulently or intentionally misrepresent a material fact in your application; or
- Your employer or group sponsor commits fraud or intentionally misrepresents a material fact under the terms of this group health plan.

If your coverage is terminated for fraud or intentional misrepresentation of a material fact, then:

- We may declare this group health plan void retroactively from the effective date of coverage following a 30-day written notice. In this case, we will recover any claim payments made.
- Premiums may be retroactively adjusted as if the fraud or intentionally misrepresented material fact had been accurately disclosed in your application.
- We will retain legal rights, including the right to bring a civil action.

**Nonpayment**

Your coverage will terminate immediately if you or your employer or group sponsor fails to make required payments to us when due.
Coverage Changes and Termination

When your coverage ends, you may be eligible to continue coverage under this group health plan or to convert to another Wellmark health benefits plan pursuant to certain state and federal laws.

COBRA Continuation

COBRA continuation coverage is a temporary extension of group health coverage under the plan under certain circumstances when coverage would otherwise end. The right to COBRA coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA coverage can become available when you would otherwise lose group health coverage under the plan. It can also become available to your spouse and dependent children, if they are covered under the plan, when they would otherwise lose their group health coverage under the plan. The following paragraphs generally explain COBRA coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.

The description of COBRA coverage contained here applies only to the group health plan benefits offered under the plan and not to any other benefits offered by your employer or group sponsor (such as life insurance, disability, or accidental death or dismemberment benefits). The plan provides no greater COBRA rights than what COBRA requires. Nothing in the plan is intended to expand the participant's rights beyond COBRA's requirements.

Coverage Entitlement. You, your spouse, and/or your dependent child(ren) will be entitled to elect COBRA if you lose your group health coverage under the plan because of a life event known as a qualifying event. You may be entitled to continue this coverage under COBRA for a period of 18, 29, or 36 months depending on the qualifying event that causes loss of coverage under this plan. See Length of Coverage later in this section.

The following are recognized qualifying events that will entitle you, your spouse, and/or your dependent child(ren) for COBRA Coverage.

You will be entitled to elect COBRA:

- If you lose your group health coverage under the plan because your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

Your spouse will be entitled to elect COBRA if he/she loses his/her group health coverage under the plan because any of the following qualifying events happens:

- You die;
- Your hours of employment are reduced;
- Your employment ends for any reason other than your gross misconduct;
- You become entitled to Medicare benefits (Part A, Part B or both) prior to your qualifying event; or
- Your spouse becomes divorced or legally separated from you.

Your dependent child will be entitled to elect COBRA if he/she loses his/her group health coverage under the plan because any of the following qualifying events happens:

- You die;
- Your hours of employment are reduced;
- Your employment ends for any reason other than your gross misconduct;
- You become entitled to Medicare benefits (Part A, Part B or both);
- You and your spouse become divorced or legally separated; or
- The dependent stops being eligible for coverage under the plan as a dependent child.

A child born to, adopted by, or placed for adoption with you during a period of COBRA coverage is considered to be a qualified beneficiary provided that, if you are a qualified beneficiary, you have elected...
Coverage Changes and Termination

COBRA coverage for yourself. The child’s COBRA coverage begins when the child is enrolled under this plan, whether through special enrollment or open enrollment, and it lasts for as long as COBRA coverage lasts for other family members of the employee. To be enrolled under this plan, the child must satisfy the otherwise applicable eligibility requirements (for example, regarding age).

Your child who is receiving benefits under this plan pursuant to a qualified medical child support order (QMCSO) received by your employer or group sponsor during your period of employment with your employer or group sponsor is entitled to the same rights to elect COBRA as your eligible dependent child.

If you take a Family and Medical Leave Act (FMLA) leave and do not return to work at the end of the leave or terminate coverage during the leave, you (and your spouse and dependent children, if any) will be entitled to elect COBRA if:

- They were covered under the plan on the day before the FMLA leave began or became covered during the FMLA leave; and
- They will lose coverage under the plan because of your failure to return to work at the end of the leave. This means that some individuals may be entitled to elect COBRA at the end of an FMLA leave even if they were not covered under the plan during the leave.

COBRA coverage elected in these circumstances will begin on the last day of the FMLA leave, with the same 18-month maximum coverage period, subject to extension or early termination, generally applicable to the COBRA qualifying events of termination of employment and reduction of hours. For information on how long you may have COBRA coverage, see later in this section, under Length of Coverage.

Qualifying Events. After a qualifying event occurs and any required notice of that event is properly provided to your employer or group sponsor, COBRA coverage must be offered to each person losing coverage under the plan who is a qualified beneficiary. You, your spouse, and your dependent children could become qualified beneficiaries and would be entitled to elect COBRA if coverage under the plan is lost because of the qualifying event.

COBRA coverage is the same coverage that this plan gives to other participants or beneficiaries under the plan who are not receiving COBRA coverage. Each qualified beneficiary who elects COBRA will have the same rights under the plan as other participants or beneficiaries covered under the component or components of this plan elected by the qualified beneficiary, including open enrollment and special enrollment rights. Under this plan, qualified beneficiaries who elect COBRA must pay for COBRA coverage.

When the qualifying event is the end of your employment, your reduction of hours of employment, or your death, COBRA coverage will be offered to qualified beneficiaries. You need not notify your employer or group sponsor of any of these three qualifying events.

For the other qualifying events, a COBRA election will be available only if you notify your employer or group sponsor in writing within 60 days after the later of:

- The date of the qualifying event; and
- The date on which the qualified beneficiary loses (or would lose) coverage under the terms of the plan as a result of the qualifying event.

The written notice must include the plan name or group name, your name, your Social Security Number, your dependent’s name and a description of the event.

Please note: If these procedures are not followed or if the written notice is not provided to your employer or group sponsor during the 60-day notice period, you or your
dependents will lose your right to elect COBRA.

**ELECTING COVERAGE.** To elect COBRA, you must complete the Election form that is part of the COBRA election notice and submit it to Discovery Benefits. An election notice will be provided to qualified beneficiaries at the time of a qualifying event. You may also obtain a copy of the Election form from your employer or group sponsor. Under federal law, you must have 60 days after the date the qualified beneficiary coverage under the plan terminates, or, if later, 60 days after the date of the COBRA election notice provided to you at the time of the qualifying event to decide whether you want to elect COBRA under the plan.

Mail the completed Election form to:

Discovery Benefits  
4321 20th Ave. SW  
Fargo, ND 58103

The Election form must be completed in writing and mailed to the individual and address specified above. The following are not acceptable as COBRA elections and will not preserve COBRA rights: oral communications regarding COBRA coverage, including in-person or telephone statements about an individual’s COBRA coverage; and electronic communications, including e-mail and faxed communications.

The election must be postmarked 60 days from the termination date or 60 days from the date the COBRA election notice provided at the time of the qualifying event.

**Please note:** If you do not submit a completed Election form within this period, you will lose your right to elect COBRA.

If you reject COBRA before the due date, you may change your mind as long as you furnish a completed Election form before the due date. The plan will only provide continuation coverage beginning on the date the waiver of coverage is revoked.

You do not have to send any payment with your Election form when you elect COBRA.

Important additional information about payment for COBRA coverage is included below.

Each qualified beneficiary will have an independent right to elect COBRA. For example, your spouse may elect COBRA even if you do not. COBRA may be elected for only one, several, or for all dependent children who are qualified beneficiaries. You and your spouse (if your spouse is a qualified beneficiary) may elect COBRA on behalf of all of the qualified beneficiaries, and parents may elect COBRA on behalf of their children. Any qualified beneficiary for whom COBRA is not elected within the 60-day election period specified in the COBRA election notice will lose his or her right to elect COBRA coverage.

When you complete the Election form, you must notify Discovery Benefits if any qualified beneficiary has become entitled to Medicare (Part A, Part B, or both) and, if so, the date of Medicare entitlement. If you become entitled to Medicare (or first learn that you are entitled to Medicare) after submitting the Election form, immediately notify Discovery Benefits of the date of the Medicare entitlement at the address specified above for delivery of the Election form.

Qualified beneficiaries may be enrolled in one or more group health components at the time of a qualifying event. If a qualified beneficiary is entitled to a COBRA election as the result of a qualifying event, he or she may elect COBRA under any or all of the group health components under which he or she was covered on the day before the qualifying event. For example, if a qualified beneficiary was covered under the medical and vision components on the day before a qualifying event, he or she may elect COBRA under the vision component only, the medical component only, or under both medical and vision (only if both components are available as a separate election option to the active employee).
Qualified beneficiaries who are entitled to elect COBRA may do so even if they have other group health plan coverage or are entitled to Medicare benefits on or before the date on which COBRA is elected. However, a qualified beneficiary’s COBRA coverage will terminate automatically if, after electing COBRA, he or she becomes entitled to Medicare benefits or becomes covered under other group health plan coverage. For information on when coverage will terminate, see later in this section, under *Termination of Coverage*.

When considering whether to elect COBRA, you should take into account that a failure to elect COBRA will affect your future rights under federal law. You should take into account that you have special enrollment rights under federal law. You have the right to request special enrollment in another group health plan for which you are otherwise eligible (such as coverage sponsored by the spouse’s employer) within 30 days after your group health coverage under the plan ends because of one of the qualifying events listed above. You will also have the same special enrollment right at the end of COBRA coverage if you get COBRA coverage for the maximum time available.

**Length of Coverage.** When coverage is lost due to your death, your divorce or legal separation, or your dependent child losing eligibility as a dependent child, COBRA coverage can last for up to a maximum of 36 months.

When coverage is lost due to the end of your employment or reduction in hours of employment, and you became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA coverage for qualified beneficiaries (other than you as the employee) who lose coverage as a result of the qualifying event can last a maximum of 36 months after the date of Medicare entitlement. For example, if you become entitled to Medicare eight months before the date on which your employment terminates, COBRA coverage under the plan for your spouse and children who lost coverage as a result of your termination can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus eight months). This COBRA coverage period is available only if you become entitled to Medicare within 18 months before the termination or reduction of hours.

Otherwise, when coverage is lost due to the end of your employment or reduction of hours of employment, COBRA coverage generally can last for only up to a maximum of 18 months.

**Extending Coverage.** If the qualifying event that resulted in your COBRA election was your termination of employment or reduction of hours, an extension of the maximum period of coverage may be available if a qualified beneficiary is disabled or a second qualifying event occurs. You must notify your employer or group sponsor of a disability or a second qualifying event in order to extend the period of COBRA coverage. Failure to provide notice of a disability or second qualifying event will eliminate the right to extend the period of COBRA coverage. Along with the notice of a disability, the qualified beneficiary must also supply a copy of the Social Security Administration disability determination.

If a qualified beneficiary is determined by the Social Security Administration to be disabled and you notify your employer or group sponsor in a timely fashion, all of the qualified beneficiaries in your family may be entitled to receive up to an additional 11 months of COBRA coverage, for a total maximum of 29 months. This extension is available only for qualified beneficiaries who are receiving COBRA coverage because of a qualifying event that was your termination of employment or reduction of hours. The qualified beneficiary must be determined disabled at any time during the first 60 days of COBRA coverage. Each
qualified beneficiary will be entitled to the disability extension if one of them qualifies. The disability extension is available only if you notify your employer or group sponsor in writing of the Social Security Administration’s determination of disability within 60 days after the latest of:

- The date of the Social Security Administration’s disability determination;
- The date of your termination of employment or reduction of hours; or
- The date on which the qualified beneficiary loses (or would lose) coverage under the terms of the plan as a result of your termination of employment or reduction of hours.

The written notice must include the plan name or group name, your name, your Social Security Number, your dependent’s name and a description of the event.

You must also provide this notice within 60 days after your termination of employment or reduction of hours in order to be entitled to a disability extension.

If these procedures are not followed or if the written notice is not provided to your employer or group sponsor during the 60-day notice period, then there will be no disability extension of COBRA coverage.

An extension of coverage will be available to your spouse and dependent children who are receiving COBRA coverage if a second qualifying event occurs during the 60 days (or, in the case of a disability extension, the 29 months) following your termination of employment or reduction of hours. The maximum amount of COBRA coverage available when a second qualifying event occurs is 36 months. Such second qualifying events may include your death, your divorce or legal separation, or a dependent child’s ceasing to be eligible for coverage as a dependent under this plan. These events can be a second qualifying event only if they would have caused the qualified beneficiary to lose coverage under the plan if the first qualifying event had not occurred. (This extension is not available under this plan when you become entitled to Medicare.)

This extension due to a second qualifying event is available only if the participant notifies your employer or group sponsor in writing of the second qualifying event within 60 days after the later of:

- The date of the second qualifying event; and
- The date on which the qualified beneficiary would lose coverage under the terms of this plan as a result of the second qualifying event (if it had occurred while the qualified beneficiary was still covered under this plan).

If these procedures are not followed or if the written notice is not provided to your employer or group sponsor during the 60-day notice period, there will be no extension of COBRA coverage due to a second qualifying event.

In addition to the regular COBRA termination events specified later in this section, the disability extension period will end the first of the month beginning more than 30 days following recovery.

For example, if disability ends June 10, coverage will continue through the month of July (7/31).

**Termination of Coverage.** Coverage under COBRA will end when you meet the maximum period for your qualifying event, as indicated earlier under Length of Coverage.

COBRA coverage will automatically terminate before the end of the maximum period if:

- Any required premium is not paid in full on time;
- A qualified beneficiary becomes covered, after electing COBRA, under another group health plan;
- A qualified beneficiary becomes entitled to Medicare benefits (under Part A, Part B, or both) after electing COBRA;
The employer ceases to provide any group health plan for its employees; or

During a disability extension period, the disabled qualified beneficiary is determined by the Social Security Administration to be no longer disabled. For more information about the disability extension period, see Extending Coverage, earlier in this section.

COBRA coverage may also be terminated for any reason this plan would terminate your coverage or coverage of a beneficiary not receiving COBRA coverage, such as fraud.

You must notify your employer or group sponsor in writing within 30 days if, after electing COBRA, a qualified beneficiary becomes entitled to Medicare (Part A, Part B, or both) or becomes covered under other group health plan coverage.

COBRA coverage will terminate (retroactively if applicable) as of the date of Medicare entitlement or as of the beginning date of the other group health coverage.

Your employer or group sponsor will require repayment of all benefits paid after the termination date, regardless of whether or when you provide notice to your employer or group sponsor of Medicare entitlement or other group health plan coverage.

If a disabled qualified beneficiary is determined by the Social Security Administration to no longer be disabled, you must notify your employer or group sponsor of that fact within 30 days after the Social Security Administration’s determination.

If the Social Security Administration’s determination that the qualified beneficiary is no longer disabled occurs during a disability extension period, COBRA coverage for all qualified beneficiaries will terminate (retroactively if applicable) as of the first day of the month that is more than 30 days after the Social Security Administration’s determination that the qualified beneficiary is no longer disabled.

Your employer or group sponsor will require repayment of all benefits paid after the termination date, regardless of whether or when you provide notice to your employer or group sponsor that the disabled qualified beneficiary is no longer disabled. For more information about the disability extension period, see Extending Coverage, earlier in this section.

Coverage Cost and Payment. Each qualified beneficiary is required to pay the entire cost of COBRA coverage. The amount a qualified beneficiary may be required to pay may not exceed 102 percent (or, in the case of an extension of COBRA coverage due to a disability, 150 percent) of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated plan participant or beneficiary who is not receiving COBRA coverage. The amount of the COBRA premiums may change from time to time during the period of COBRA coverage and will most likely increase over time. You will be notified of COBRA premium changes.

All COBRA premiums must be paid by check or money order.

Your first payment and all monthly payments for COBRA coverage must be made payable to Discovery Benefits and mailed to:

Discovery Benefits
4321 20th Ave. SW
Fargo, ND 58103

The payment is considered to have been made on the date that it is postmarked. You will not be considered to have made any payment by mailing a check if your check is returned due to insufficient funds or otherwise.

If you elect COBRA, you do not have to send any payment with the Election form. However, you must make your first payment for COBRA coverage not later than 45 days after the date of election. This is the date the Election form is postmarked, if mailed, or the date the Election form is received by the
individual at the address specified for delivery of the Election form, if hand-delivered. For more information on electing coverage, see Electing Coverage earlier in this section.

The first payment must cover the cost of COBRA coverage from the time coverage under the plan would have otherwise terminated up through the end of the month before the month in which you make your first payment.

For example, Sue’s employment terminated on September 30, and she loses coverage on September 30. Sue elects COBRA on November 15. Her initial premium payment equals the premiums for October and November and is due on or before December 30, the 45th day after the date of her COBRA election.

You are responsible for making sure that the amount of your first payment is correct. You may contact the plan administrator to confirm the correct amount of the first payment.

Claims for reimbursement will not be processed and paid until you have elected COBRA and make the first payment for it.

If you do not make the first payment for COBRA coverage in full within 45 days after the date of your election, you will lose all COBRA rights under this plan.

After you make your first payment for COBRA coverage, you will be required to make monthly payments for each subsequent month of COBRA coverage. The amount due for each month for each qualified beneficiary will be disclosed in the election notice provided at the time of the qualifying event. Under the plan, each of these monthly payments for COBRA coverage is due on the first day of the month for that month’s COBRA coverage. If you make a monthly payment on or before the first day of the month to which it applies, your COBRA coverage under this plan will continue for that month without any break.

Although monthly payments are due on the first day of each month of COBRA coverage, you will be given a grace period of 30 days after the first day of the month to make each monthly payment. COBRA coverage will be provided for each month as long as payment for that month is made before the end of the grace period for that payment. However, if you pay a monthly payment later than the first day of the month to which it applies, but before the end of the grace period for the month, your coverage under this plan will be suspended as of the first day of the month and then retroactively reinstated (going back to the first day of the month) when the monthly payment is received. This means that any claim submitted for benefits while coverage is suspended may be denied and may have to be resubmitted once coverage is reinstated.

If you fail to make a monthly payment before the end of the grace period for that month, you will lose all rights to COBRA coverage under the plan.

**Assistance With Questions.** Questions concerning the plan or your COBRA rights should be addressed to the contact or contacts identified below. For more information about rights under ERISA, including COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA) or visit the EBSA website at www.dol.gov/ebsa. Addresses and phone numbers of Regional and District EBSA Offices are also available through EBSA’s website.

**Notification of Changes.** In order to protect your family’s rights, you should keep Discovery Benefits informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices sent by your employer or group sponsor.
**Plan Contact Information.** For additional information about you and your dependents’ rights and obligations under the plan and under federal law, you should contact your employer or group sponsor, the plan administrator. You may obtain information about COBRA coverage on request from:

Discovery Benefits  
4321 20th Ave. SW  
Fargo, ND 58103  
Phone number: 866-451-3399  
www.discoverybenefits.com

The contact information for the plan may change from time to time. The most recent information will be included in the most recent plan documents (if you are not sure whether this is the most recent plan document, you may request the most recent one from the plan administrator or your employer or group sponsor).
10. Claims

Once you receive medical services or purchase prescription drugs from a nonparticipating pharmacy we must receive a claim to determine the amount of your benefits. The claim lets us know the services or prescription drugs you received, when you received them, and from which provider.

When to File a Claim
You need to file a claim if you:

- Use a provider who does not file claims for you. Participating and PPO providers file claims for you.
- Purchase prescription drugs from a nonparticipating pharmacy.
- Purchase prescription drugs from a participating pharmacy but do not present your ID card.
- Pay in full for a drug that you believe should have been covered.

Your submission of a prescription to a participating pharmacy is not a filed claim and therefore is not subject to appeal procedures as described in the Appeals section. However, you may file a claim with us for a prescription drug purchase you think should have been a covered benefit.

Wellmark must receive claims within 180 days following the date of service of the claim.

How to File a Claim
All claims must be submitted in writing.

1. Get a Claim Form
Forms are available at Wellmark.com or by calling the Customer Service number on your ID card or from your personnel department.

2. Fill Out the Claim Form
Follow the same claim filing procedure regardless of where you received services. Directions are printed on the back of the claim form. Complete all sections of the claim form. For more efficient processing, all claims (including those completed out-of-country) should be written in English.

If you need assistance completing the claim form, call the Customer Service number on your ID card.

Medical Claim Form. Follow these steps to complete a medical claim form:

- Use a separate claim form for each covered family member and each provider.
- Attach a copy of an itemized statement prepared by your provider. We cannot accept statements you prepare, cash register receipts, receipt of payment notices, or balance due notices. In order for a claim request to qualify for processing, the itemized statement must be on the provider’s stationery, and include at least the following:
  - Identification of provider: full name, address, tax or license ID numbers, and provider numbers.
  - Patient information: first and last name, date of birth, gender, relationship to plan member, and daytime phone number.
  - Date(s) of service.
  - Charge for each service.
  - Place of service (office, hospital, etc).
  - For injury or illness: date and diagnosis.
  - For inpatient claims: admission date, patient status, attending physician ID.
  - Days or units of service.
  - Revenue, diagnosis, and procedure codes.
  - Description of each service.
**Prescription Drugs Covered Under Your Medical Benefits Claim Form.** For prescription drugs covered under your medical benefits (not covered under your Blue Rx Complete prescription drug benefits), use a separate prescription drug claim form and include the following information:

- Pharmacy name and address.
- Patient information: first and last name, date of birth, gender, and relationship to plan member.
- Date(s) of service.
- Description and quantity of drug.
- Original pharmacy receipt or cash receipt with the pharmacist’s signature on it.

**Blue Rx Complete Prescription Drug Claim Form.** For prescription drugs covered under your Blue Rx Complete prescription drug benefits, complete the following steps:

- Use a separate claim form for each covered family member and each pharmacy.
- Complete all sections of the claim form. Include your daytime telephone number.
- Submit up to three prescriptions for the same family member and the same pharmacy on a single claim form. Use additional claim forms for claims that exceed three prescriptions or if the prescriptions are for more than one family member or pharmacy.
- Attach receipts to the back of the claim form in the space provided.

**3. Sign the Claim Form**

**4. Submit the Claim**

We recommend you retain a copy for your records. The original form you send or any attachments sent with the form cannot be returned to you.

**Medical Claims and Claims for Drugs Covered Under Your Medical Benefits.** Send the claim to:

Wellmark Blue Cross and Blue Shield
Station 1E238
P.O. Box 9291
Des Moines, IA 50306-9291

**Medical Claims for Services Received Outside the United States.** Send the claim to:

BlueCard Worldwide Service Center
P.O. Box 261630
Miami, FL 33126

**Blue Rx Complete Prescription Drug Claims.** Send the claim to the address printed on the claim form.

We may require additional information from you or your provider before a claim can be considered complete and ready for processing.

**Notification of Decision**

You will receive an Explanation of Benefits (EOB) following your claim. The EOB is a statement outlining how we applied benefits to a submitted claim. It details amounts that providers charged, network savings, our paid amounts, and amounts for which you are responsible.

In case of an adverse decision, the notice will be sent within 30 days of receipt of the claim. We may extend this time by up to 15 days if the claim determination is delayed for reasons beyond our control. If we do not send an explanation of benefits statement or a notice of extension within the 30-day period, you have the right to begin an appeal. We will notify you of the circumstances requiring an extension and the date by which we expect to render a decision.

If an extension is necessary because we require additional information from you, the notice will describe the specific information needed. You have 45 days from receipt of the notice to provide the
information. Without complete information, your claim will be denied.

If you have other insurance coverage, our processing of your claim may utilize coordination of benefits guidelines. See Coordination of Benefits, page 77.

Once we pay your claim, whether our payment is sent to you or to your provider, our obligation to pay benefits for the claim is discharged. However, we may adjust a claim due to overpayment or underpayment for up to 18 months after we first process the claim. In the case of Out-of-Network hospitals, M.D.s, and D.O.s located in Iowa, the health plan payment is made payable to the provider, but the check is sent to you. You are responsible for forwarding the check to the provider, plus any difference between the amount charged and our payment.

**Exception Requests for Non-Formulary Prescription Drugs**

Prescription drugs that are not listed on the Wellmark Blue Rx Complete Drug List are not covered. However, you may submit an exception request for coverage of a non-formulary drug (i.e., a drug that is not included on the Wellmark Blue Rx Complete Drug List). The form is available at Wellmark.com or by calling the Customer Service number on your ID card. Your prescribing physician or other provider must provide a clinical justification supporting the need for the non-formulary drug to treat your condition. The provider should include a statement that:

- All covered formulary drugs on any tier have been ineffective; or
- All covered formulary drugs on any tier will be ineffective; or
- All covered formulary drugs on any tier would not be as effective as the non-formulary drug; or
- All covered formulary drugs would have adverse effects.

Wellmark will respond within 72 hours of receiving the Exception Request for Non-Formulary Prescription Drugs form. For expedited requests, Wellmark will respond within 24 hours.

In the event Wellmark denies your exception request, you and your provider will be sent additional information regarding your ability to request an independent review of our decision. If the independent reviewer approves your exception request, we will treat the drug as a covered benefit for the duration of your prescription. You will be responsible for out-of-pocket costs (for example: deductible, copay, or coinsurance, if applicable) as if the non-formulary drug is on the highest tier of the Wellmark Blue Rx Complete Drug List. Amounts you pay will be counted toward any applicable out-of-pocket maximums. If the independent reviewer upholds Wellmark’s denial of your exception request, the drug will not be covered, and this decision will not be considered an adverse benefit determination, and will not be eligible for further appeals. You may choose to purchase the drug at your own expense.

The Exception Request for Non-Formulary Prescription Drugs process is only available for FDA-approved prescription drugs that are not on the Wellmark Blue Rx Complete Drug List. It is not available for items that are specifically excluded under your benefits, such as cosmetic drugs, convenience packaging, non-FDA approved drugs, infused drugs, most over-the-counter medications, nutritional, vitamin and dietary supplements, or antigen therapy. The preceding list of excluded items is illustrative only and is not a complete list of items that are not eligible for the process.
11. Coordination of Benefits

Coordination of benefits applies when you have more than one insurance policy or group health plan that provides the same or similar benefits as this plan. Benefits payable under this plan, when combined with those paid under your other coverage, will not be more than 100 percent of either our payment arrangement amount or the other plan's payment arrangement amount.

The method we use to calculate the payment arrangement amount may be different from your other plan's method.

Other Coverage
When you receive services, you must inform us that you have other coverage, and inform your health care provider about your other coverage. Other coverage includes any of the following:

- Group and nongroup insurance contracts and subscriber contracts.
- HMO contracts.
- Uninsured arrangements of group or group-type coverage.
- Group and nongroup coverage through closed panel plans.
- Group-type contracts.
- The medical care components of long-term contracts, such as skilled nursing care.
- Medicare or other governmental benefits (not including Medicaid).
- The medical benefits coverage of your auto insurance (whether issued on a fault or no-fault basis).

Coverage that is not subject to coordination of benefits includes the following:

- Hospital indemnity coverage or other fixed indemnity coverage.
- Accident-only coverage.
- Specified disease or specified accident coverage.
- Limited benefit health coverage, as defined by Iowa law.
- School accident-type coverage.
- Benefits for non-medical components of long-term care policies.
- Medicare supplement policies.
- Medicaid policies.
- Coverage under other governmental plans, unless permitted by law.

You must cooperate with Wellmark and provide requested information about other coverage. Failure to provide information can result in a denied claim. We may get the facts we need from or give them to other organizations or persons for the purpose of applying the following rules and determining the benefits payable under this plan and other plans covering you. We need not tell, or get the consent of, any person to do this.

Your Participating or PPO provider will forward your coverage information to us. If you have an Out-of-Network Provider, you are responsible for informing us about your other coverage.

Claim Filing
If you know that your other coverage has primary responsibility for payment, after you receive services, a claim should be submitted to your other insurance carrier first. If that claim is processed with an unpaid balance for benefits eligible under this group health plan, you or your provider should submit a claim to us and attach the other carrier's explanation of benefit payment. We may contact your provider or the other carrier for further information.

Rules of Coordination
We follow certain rules to determine which health plan or coverage pays first (as the primary plan) when other coverage provides the same or similar benefits as this group health plan. Here are some of those rules:
The primary plan pays or provides benefits according to its terms of coverage and without regard to the benefits under any other plan. Except as provided below, a plan that does not contain a coordination of benefits provision that is consistent with applicable regulations is always primary unless the provisions of both plans state that the complying plan is primary.

Coverage that is obtained by membership in a group and is designed to supplement a part of a basic package of benefits is excess to any other parts of the plan provided by the contract holder. (Examples of such supplementary coverage are major medical coverage that is superimposed over base plan hospital and surgical benefits and insurance-type coverage written in connection with a closed panel plan to provide Out-of-Network benefits.)

The following rules are to be applied in order. The first rule that applies to your situation is used to determine the primary plan.

The coverage that you have as an employee, plan member, subscriber, policyholder, or severance plan participant pays before coverage that you have as a spouse or dependent. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the plan covering the person as a dependent and primary to the plan covering the person as other than a dependent (e.g., a retired employee), then the order of benefits between the two plans is reversed, so that the plan covering the person as the employee, plan member, subscriber, policyholder or severance plan participant is the secondary plan and the other plan is the primary plan.

The coverage with the earliest continuous effective date pays first if none of the rules above apply.

Notwithstanding the preceding rules, when you use your Blue Rx Complete ID card, your Blue Rx Complete prescription drug benefits are primary for prescription drugs purchased at a pharmacy. Blue Rx Complete prescription drug benefits are not available when the pharmacy claim is paid by another plan.

If the preceding rules do not determine the order of benefits, the benefits payable will be shared equally between the plans. In addition, this plan will not pay more than it would have paid had it been the primary plan.

Dependent Children
To coordinate benefits for a dependent child, the following rules apply (unless there is a court decree stating otherwise):

If the child is covered by both parents who are married (and not separated) or who are living together, whether or not the primary plan pays or provides benefits according to its terms of coverage and without regard to the benefits under any other plan. Except as provided below, a plan that does not contain a coordination of benefits provision that is consistent with applicable regulations is always primary unless the provisions of both plans state that the complying plan is primary.

Coverage that is obtained by membership in a group and is designed to supplement a part of a basic package of benefits is excess to any other parts of the plan provided by the contract holder. (Examples of such supplementary coverage are major medical coverage that is superimposed over base plan hospital and surgical benefits and insurance-type coverage written in connection with a closed panel plan to provide Out-of-Network benefits.)

The following rules are to be applied in order. The first rule that applies to your situation is used to determine the primary plan.

The coverage that you have as an employee, plan member, subscriber, policyholder, or severance plan participant pays before coverage that you have as a spouse or dependent. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the plan covering the person as a dependent and primary to the plan covering the person as other than a dependent (e.g., a retired employee), then the order of benefits between the two plans is reversed, so that the plan covering the person as the employee, plan member, subscriber, policyholder or severance plan participant is the secondary plan and the other plan is the primary plan.

The coverage with the earliest continuous effective date pays first if none of the rules above apply.

Notwithstanding the preceding rules, when you use your Blue Rx Complete ID card, your Blue Rx Complete prescription drug benefits are primary for prescription drugs purchased at a pharmacy. Blue Rx Complete prescription drug benefits are not available when the pharmacy claim is paid by another plan.

If the preceding rules do not determine the order of benefits, the benefits payable will be shared equally between the plans. In addition, this plan will not pay more than it would have paid had it been the primary plan.

Dependent Children
To coordinate benefits for a dependent child, the following rules apply (unless there is a court decree stating otherwise):

If the child is covered by both parents who are married (and not separated) or who are living together, whether or not the child is covered by both parents who are married (and not separated) or who are living together, whether or not
they have been married, then the coverage of the parent whose birthday occurs first in a calendar year pays first. If both parents have the same birthday, the plan that has covered the parent the longest is the primary plan.

For a child covered by separated or divorced parents or parents who are not living together, whether or not they have been married:

- If a court decree states that one of the parents is responsible for the child’s health care expenses or coverage and the plan of that parent has actual knowledge of those terms, then that parent’s coverage pays first. If the parent with responsibility has no health care coverage for the dependent child’s health care expenses, but that parent’s spouse does, that parent’s spouse’s coverage pays first. This item does not apply with respect to any plan year during which benefits are paid or provided before the entity has actual knowledge of the court decree provision.

- If a court decree states that both parents are responsible for the child’s health care expense or health care coverage or if a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or coverage of the dependent child, then the coverage of the parent whose birthday occurs first in a calendar year pays first. If both parents have the same birthday, the plan that has covered the parent the longest is the primary plan.

- If a court decree does not specify which parent has financial or insurance responsibility, then the coverage of the parent with custody pays first. The payment order for the child is as follows: custodial parent, spouse of custodial parent, other parent, spouse of other parent. A custodial parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one-half of the calendar year excluding any temporary visitation.

If none of these rules apply to your situation, we will follow the Iowa Insurance Division’s Coordination of Benefits guidelines to determine this health plan payment.

**Effects on the Benefits of this Plan**

In determining the amount to be paid for any claim, the secondary plan will calculate the benefits it would have paid in the absence of other coverage and apply the calculated amount to any allowable expense under its plan that is unpaid by the primary plan. The secondary plan may then reduce its payment by the amount so that, when combined with the amount paid by the primary plan, total benefits paid or provided by all plans for the claim do not exceed the total allowable expense for that claim. In addition, the secondary plan will credit to its applicable deductible any amounts it would have credited to its deductible in the absence of other coverage.

**Right of Recovery**

If the amount of payments made by us is more than we should have paid under these coordination of benefits provisions, we may recover the excess from any of the persons to or for whom we paid, or from any other person or organization that may be responsible for the benefits or services provided for the covered person. The amount of payments made includes the reasonable cash value of any benefits provided in the form of services.

**Coordination with Medicare**

For medical claims only, Medicare is by law the secondary coverage to group health plans in a variety of situations.

The following provisions apply only if you have both Medicare and employer group plans...
health coverage under your medical benefits and your employer has the required minimum number of employees.

**Medicare Part B Drugs**
Drugs paid under Medicare Part B are covered under the medical benefits of this plan.

**Working Aged**
If you are a member of a group health plan of an employer with at least 20 employees for each working day for at least 20 calendar weeks in the current or preceding year, then Medicare is the secondary payer if the beneficiary is:

- Age 65 or older; and
- A current employee or spouse of a current employee covered by an employer group health plan.

**Working Disabled**
If you are a member of a group health plan of an employer with at least 100 full-time, part-time, or leased employees on at least 50 percent of regular business days during the preceding calendar year, then Medicare is the secondary payer if the beneficiary is:

- Under age 65;
- A recipient of Medicare disability benefits; and
- A current employee or a spouse or dependent of a current employee, covered by an employer group health plan.

**End-Stage Renal Disease (ESRD)**
The ESRD requirements apply to group health plans of all employers, regardless of the number of employees. Under these requirements, Medicare is the secondary payer during the first 30 months of Medicare coverage if both of the following are true:

- The beneficiary has Medicare coverage as an ESRD patient; and
- The beneficiary is covered by an employer group health plan.

If the beneficiary is already covered by Medicare due to age or disability and the beneficiary becomes eligible for Medicare ESRD coverage, Medicare generally is the secondary payer during the first 30 months of ESRD eligibility. However, if the group health plan is secondary to Medicare (based on other Medicare secondary-payer requirements) at the time the beneficiary becomes covered for ESRD, the group health plan remains secondary to Medicare.

This is only a general summary of the laws, which may change from time to time. For more information, contact your employer or the Social Security Administration.
12. Appeals

Right of Appeal
You have the right to one full and fair review in the case of an adverse benefit determination that denies, reduces, or terminates benefits, or fails to provide payment in whole or in part. Adverse benefit determinations include a denied or reduced claim or an adverse benefit determination concerning a pre-service notification requirement. Pre-service notification requirements are:

- A precertification request.
- A notification of admission or services.
- A prior approval request.
- A prior authorization request for prescription drugs.

How to Request an Internal Appeal
You or your authorized representative, if you have designated one, may appeal an adverse benefit determination within 180 days from the date you are notified of our adverse benefit determination by submitting a written appeal. Appeal forms are available at our website, Wellmark.com. See Authorized Representative, page 85.

Medically Urgent Appeal
To appeal an adverse benefit determination involving a medically urgent situation, you may request an expedited appeal, either orally or in writing. Medically urgent generally means a situation in which your health may be in serious jeopardy or, in the opinion of your physician, you may experience severe pain that cannot be adequately controlled while you wait for a decision.

Non-Medically Urgent Appeal
To appeal an adverse benefit determination that is not medically urgent, you must make your request for a review in writing.

What to Include in Your Internal Appeal
You must submit all relevant information with your appeal, including the reason for your appeal. This includes written comments, documents, or other information in support of your appeal. You must also submit:

- Date of your request.
- Your name (please type or print), address, and if applicable, the name and address of your authorized representative.
- Member identification number.
- Claim number from your Explanation of Benefits, if applicable.
- Date of service in question.

For a prescription drug appeal, you also must submit:

- Name and phone number of the pharmacy.
- Name and phone number of the practitioner who wrote the prescription.
- A copy of the prescription.
- A brief description of your medical reason for needing the prescription.

If you have difficulty obtaining this information, ask your provider or pharmacist to assist you.

Where to Send Internal Appeal
Wellmark Blue Cross and Blue Shield Special Inquiries
P.O. Box 9232, Station 5W189
Des Moines, IA 50306-9232

Review of Internal Appeal
Your request for an internal appeal will be reviewed only once. The review will take into account all information regarding the adverse benefit determination whether or
not the information was presented or available at the initial determination. Upon request, and free of charge, you will be provided reasonable access to and copies of all relevant records used in making the initial determination.

The review will not be conducted by the original decision makers or any of their subordinates. The review will be conducted without regard to the original decision. If a decision requires medical judgment, we will consult an appropriate medical expert who was not previously involved in the original decision and who has no conflict of interest in making the decision. If we deny your appeal, in whole or in part, you may request, in writing, the identity of the medical expert we consulted.

**Decision on Internal Appeal**
The decision on appeal is the final internal determination. Once a decision on internal appeal is reached, your right to internal appeal is exhausted.

**Medically Urgent Appeal**
For a medically urgent appeal, you will be notified (by telephone, e-mail, fax or another prompt method) of our decision as soon as possible, based on the medical situation, but no later than 72 hours after your expedited appeal request is received. If the decision is adverse, a written notification will be sent.

**All Other Appeals**
For all other appeals, you will be notified in writing of our decision. Most appeal requests will be determined within 30 days and all appeal requests will be determined within 60 days.

**Legal Action**
You shall not start legal action against us until you have exhausted the appeal procedure described in this section.
13. Your Rights Under ERISA

Employee Retirement Income Security Act of 1974
Your rights concerning your coverage may be protected by the Employee Retirement Income Security Act of 1974 (ERISA), a federal law protecting your rights under this benefits plan. Any employee benefits plan established or maintained by an employer or employee organization or both is subject to this federal law unless the benefits plan is a governmental or church plan as defined in ERISA.

As a participant in this group health plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA).

Receive Information About Your Plan and Benefits
You may examine, without charge, at the plan administrator’s office or at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

You may obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The plan administrator may make a reasonable charge for the copies.

You may also obtain a summary of the plan’s annual financial report. The plan administrator is required by law to furnish you with a copy of this summary annual report.

Continued Group Health Plan Coverage
You have the right to continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. However, you or your dependents may have to pay for such coverage. For more information on the rules governing your COBRA continuation coverage rights, review this summary plan description and the documents governing the plan. See COBRA Continuation, page 64.

Prudent Actions by Plan Fiduciaries
In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of your employee benefits plan. The people who operate the plan, called fiduciaries of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforcement of Rights
If your claim for a covered benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the plan.
Your Rights Under ERISA

administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance With Your Questions
If you have any questions about your plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in the telephone directory, or write to:

Division of Technical Assistance and Inquiries
Employee Benefits Security Administration
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, D.C. 20210

You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Contract
The conditions of your coverage are defined in your contract. Your contract includes:
- Any application you submitted to us or to your employer or group sponsor.
- Any agreement or group policy we have with your employer or group sponsor.
- Any application completed by your employer or group sponsor.
- This summary plan description and any riders or amendments.

All of the statements made by you or your employer or group sponsor in any of these materials will be treated by us as representations, not warranties.

Interpreting this Summary Plan Description
We will interpret the provisions of this summary plan description and determine the answer to all questions that arise under it. We have the administrative discretion to determine whether you meet our written eligibility requirements, or to interpret any other term in this summary plan description. If any benefit described in this summary plan description is subject to a determination of medical necessity, we will make that factual determination. Our interpretations and determinations are final and conclusive.

There are certain rules you must follow in order for us to properly administer your benefits. Different rules appear in different sections of your summary plan description. You should become familiar with the entire document.

Authority to Terminate, Amend, or Modify
Your employer or group sponsor has the authority to terminate, amend, or modify the coverage described in this summary plan description at any time. Any amendment or modification will be in writing and will be as binding as this summary plan description. If your contract is terminated, you may not receive benefits.

Authorized Group Benefits Plan Changes
No agent, employee, or representative of ours is authorized to vary, add to, change, modify, waive, or alter any of the provisions described in this summary plan description. This summary plan description cannot be changed except by one of the following:
- Written amendment signed by an authorized officer and accepted by you or your employer or group sponsor.
- Our receipt of proper notification that an event has changed your spouse or dependent’s eligibility for coverage. See Coverage Changes and Termination, page 61.

Authorized Representative
You may authorize another person to represent you and with whom you want us to communicate regarding specific claims or an appeal. This authorization must be in writing, signed by you, and include all the information required in our Authorized Representative Form. This form is available at Wellmark.com or by calling the Customer Service number on your ID card.

In a medically urgent situation your treating health care practitioner may act as your authorized representative without completion of the Authorized Representative Form.

An assignment of benefits, release of information, or other similar form that you may sign at the request of your health care provider does not make your provider an authorized representative. You may authorize only one person as your
representative at a time. You may revoke the authorized representative at any time.

**Release of Information**

By enrolling in this group health plan, you have agreed to release any necessary information requested about you so we can process claims for benefits.

You must allow any provider, facility, or their employee to give us information about a treatment or condition. If we do not receive the information requested, or if you withhold information, your benefits may be denied. If you fraudulently use your coverage or misrepresent or conceal material facts when providing information, then we may terminate your coverage under this group health plan.

**Privacy of Information**

Your employer or group sponsor is required to protect the privacy of your health information. It is required to request, use, or disclose your health information only as permitted or required by law. For example, your employer or group sponsor has contracted with Wellmark to administer this group health plan and Wellmark will use or disclose your health information for treatment, payment, and health care operations according to the standards and specifications of the federal privacy regulations.

**Treatment**

We may disclose your health information to a physician or other health care provider in order for such health care provider to provide treatment to you.

**Payment**

We may use and disclose your health information to pay for covered services from physicians, hospitals, and other providers, to determine your eligibility for benefits, to coordinate benefits, to determine medical necessity, to obtain payment from your employer or group sponsor, to issue explanations of benefits to the person enrolled in the group health plan in which you participate, and the like. We may disclose your health information to a health care provider or entity subject to the federal privacy rules so they can obtain payment or engage in these payment activities.

**Health Care Operations**

We may use and disclose your health information in connection with health care operations. Health care operations include, but are not limited to, determining payment and rates for your group health plan; quality assessment and improvement activities; reviewing the competence or qualifications of health care practitioners, evaluating provider performance, conducting training programs, accreditation, certification, licensing, or credentialing activities; medical review, legal services, and auditing, including fraud and abuse detection and compliance; business planning and development; and business management and general administrative activities.

**Other Disclosures**

Your employer or group sponsor or Wellmark is required to obtain your explicit authorization for any use or disclosure of your health information that is not permitted or required by law. For example, we may release claim payment information to a friend or family member to act on your behalf during a hospitalization if you submit an authorization to release information to that person. If you give us an authorization, you may revoke it in writing at any time. Your revocation will not affect any use or disclosures permitted by your authorization while it was in effect.

**Member Health Support Services**

Wellmark may from time to time make available to you certain health support services (such as disease management), for a fee or for no fee. Wellmark may offer financial and other incentives to you to use such services. As a part of the provision of these services, Wellmark may:
• Use your personal health information (including, but not limited to, substance abuse, mental health, and HIV/AIDS information); and
• Disclose such information to your health care providers and Wellmark’s health support service vendors, for purposes of providing such services to you.

Wellmark will use and disclose information according to the terms of our Privacy Practices Notice, which is available upon request or at Wellmark.com.

Value Added or Innovative Benefits
Wellmark may, from time to time, make available to you certain value added or innovative benefits for a fee or for no fee. Examples include discounts on alternative/preventive therapies, fitness, exercise and diet assistance, and elective procedures as well as resources to help you make more informed health decisions.

Value-Based Programs
Value-based programs involve local health care organizations that are held accountable for the quality and cost of care delivered to a defined population. Value-based programs can include accountable care organizations (ACOs), patient centered medical homes (PCMHs), and other programs developed by Wellmark, Blue Cross Blue Shield Association, or other Blue Cross Blue Shield health plans (“Blue Plans”). Wellmark and Blue Plans have entered into collaborative arrangements with value-based programs under which the health care providers participating in them are eligible for financial incentives relating to quality and cost-effective care of Wellmark members. Your claims information may be used by the value-based program and any providers involved in such value-based program.

Nonassignment
Benefits for covered services under this group health plan are for your personal benefit and cannot be transferred or assigned to anyone else without our consent. You are prohibited from assigning any claim or cause of action arising out of or relating to this group health plan. Any attempt to assign this group health plan or rights to payment will be void.

Governing Law
To the extent not superseded by the laws of the United States, the group health plan will be construed in accordance with and governed by the laws of the state of Iowa. Any action brought because of a claim under this plan will be litigated in the state or federal courts located in the state of Iowa and in no other.

Legal Action
You shall not start any legal action against us unless you have exhausted the applicable appeal process described in the Appeals section.

You shall not bring any legal or equitable action against us because of a claim under this group health plan, or because of the alleged breach of this plan, more than two years after the end of the calendar year in which the services or supplies were provided.

Medicaid Enrollment and Payments to Medicaid
Assignment of Rights
This group health plan will provide payment of benefits for covered services to you, your beneficiary, or any other person who has been legally assigned the right to receive such benefits pursuant to Title XIX of the Social Security Act (Medicaid).

Enrollment Without Regard to Medicaid
Your receipt or eligibility for benefits under Medicaid will not affect your enrollment as a participant or beneficiary of this group health plan, nor will it affect our determination of benefits.
Acquisition by States of Rights of Third Parties
If payment has been made by Medicaid and Wellmark has a legal obligation to provide benefits for those services, Wellmark will make payment of those benefits in accordance with any state law under which a state acquires the right to such payments.

Medicaid Reimbursement
When a PPO or Participating provider submits a claim to a state Medicaid program for a covered service and Wellmark reimburses the state Medicaid program for the service, Wellmark’s total payment for the service will be limited to the amount paid to the state Medicaid program. No additional payments will be made to the provider or to you.

Subrogation
Right of Subrogation
If you or your legal representative have a claim to recover money from a third party and this claim relates to an illness or injury for which this group health plan provides benefits, we, on behalf of your employer or group sponsor, will be subrogated to you and your legal representative’s rights to recover from the third party as a condition to your receipt of benefits.

Right of Reimbursement
If you have an illness or injury as a result of the act of a third party or arising out of obligations you have under a contract and you or your legal representative files a claim under this group health plan, as a condition of receipt of benefits, you or your legal representative must reimburse us for all benefits paid for the illness or injury from money received from the third party or its insurer, or under the contract, to the extent of the amount paid by this group health plan on the claim.

Once you receive benefits under this group health plan arising from an illness or injury, we will assume any legal rights you have to collect compensation, damages, or any other payment related to the illness or injury from any of the following:

- The responsible person or that person’s insurer.
- Uninsured motorist coverage.
- Underinsured motorist coverage.
- Other insurance coverage, including but not limited to homeowner’s, motor vehicle, or medical payments insurance.

You agree to recognize our rights under this group health plan to subrogation and reimbursement. These rights provide us with a priority over any money paid by a third party to you relative to the amount paid by this group health plan, including priority over any claim for non-medical charges, or other costs and expenses. We will assume all rights of recovery, to the extent of payment made under this group health plan, regardless of whether payment is made before or after settlement of a third party claim, and regardless of whether you have received full or complete compensation for an illness or injury.

Procedures for Subrogation and Reimbursement
You or your legal representative must do whatever we request with respect to the exercise of our subrogation and reimbursement rights, and you agree to do nothing to prejudice those rights. In addition, at the time of making a claim for benefits, you or your legal representative must inform us in writing if you have an illness or injury caused by a third party or arising out of obligations you have under a contract. You or your legal representative must provide the following information, by registered mail, within seven (7) days of such illness or injury to us as a condition to receipt of benefits:

- The name, address, and telephone number of the third party that in any way caused the illness or injury or is a party to the contract, and of the attorney representing the third party;
- The name, address and telephone number of the third party’s insurer and any insurer of you;
- The name, address and telephone number of your attorney with respect to the third party’s act;
- Prior to the meeting, the date, time and location of any meeting between the third party or his attorney and you, or your attorney;
- All terms of any settlement offer made by the third party or his insurer or your insurer;
- All information discovered by you or your attorney concerning the insurance coverage of the third party;
- The amount and location of any money that is recovered by you from the third party or his insurer or your insurer, and the date that the money was received;
- Prior to settlement, all information related to any oral or written settlement agreement between you and the third party or his insurer or your insurer;
- All information regarding any legal action that has been brought on your behalf against the third party or his insurer; and
- All other information requested by us.

Send this information to:

Wellmark Blue Cross and Blue Shield
1331 Grand Avenue, Station 5E151
Des Moines, IA 50309-2901

You also agree to all of the following:

- You will immediately let us know about any potential claims or rights of recovery related to the illness or injury.
- You will furnish any information and assistance that we determine we will need to enforce our rights under this group health plan.
- You will do nothing to prejudice our rights and interests including, but not limited to, signing any release or waiver (or otherwise releasing) our rights, without obtaining our written permission.
- You will not compromise, settle, surrender, or release any claim or right of recovery described above, without obtaining our written permission.
- If payment is received from the other party or parties, you must reimburse us to the extent of benefit payments made under this group health plan.
- In the event you or your attorney receive any funds in compensation for your illness or injury, you or your attorney will hold those funds (up to and including the amount of benefits paid under this group health plan in connection with the illness or injury) in trust for the benefit of this group health plan as trustee(s) for us until the extent of our right to reimbursement or subrogation has been resolved.
- In the event you invoke your rights of recovery against a third-party related to the illness or injury, you will not seek an advancement of costs or fees from us.
- The amount of our subrogation interest shall be paid first from any funds recovered on your behalf from any source, without regard to whether you have been made whole or fully compensated for your losses, and the “make whole” rule is specifically rejected and inapplicable under this group health plan.
- We will not be liable for payment of any share of attorneys’ fees or other expenses incurred in obtaining any recovery, except as expressly agreed in writing, and the “common fund” rule is specifically rejected and inapplicable under this group health plan.

It is further agreed that in the event that you fail to take the necessary legal action to recover from the responsible party, we shall have the option to do so and may proceed in its name or your name against the responsible party and shall be entitled to the recovery of the amount of benefits paid under this group health plan and shall be entitled to recover its expenses, including
reasonable attorney fees and costs, incurred for such recovery.

In the event we deem it necessary to institute legal action against you if you fail to repay us as required in this group health plan, you shall be liable for the amount of such payments made by us as well as all of our costs of collection, including reasonable attorney fees and costs.

You hereby authorize the deduction of any excess benefit received or benefits that should not have been paid, from any present or future compensation payments.

You and your covered family member(s) must notify us if you have the potential right to receive payment from someone else. You must cooperate with us to ensure that our rights to subrogation are protected.

Our right of subrogation and reimbursement under this group health plan applies to all rights of recovery, and not only to your right to compensation for medical expenses. A settlement or judgment structured in any manner not to include medical expenses, or an action brought by you or on your behalf which fails to state a claim for recovery of medical expenses, shall not defeat our rights of subrogation and reimbursement if there is any recovery on your claim.

We reserve the right to offset any amounts owed to us against any future claim payments.

**Workers’ Compensation**

If you have received benefits under this group health plan for an injury or condition that is the subject or basis of a workers’ compensation claim (whether litigated or not), we are entitled to reimbursement to the extent of benefits paid under this plan from your employer, your employer’s workers’ compensation carrier, or you in the event that your claim is accepted or adjudged to be covered under workers’ compensation.

Furthermore, we are entitled to reimbursement from you to the full extent of benefits paid out of any proceeds you receive from any workers’ compensation claim, regardless of whether you have been made whole or fully compensated for your losses, regardless of whether the proceeds represent a compromise or disputed settlement, and regardless of any characterization of the settlement proceeds by the parties to the settlement. We will not be liable for any attorney’s fees or other expenses incurred in obtaining any proceeds for any workers’ compensation claim.

We utilize industry standard methods to identify claims that may be work-related. This may result in initial payment of some claims that are work-related. We reserve the right to seek reimbursement of any such claim or to waive reimbursement of any claim, at our discretion.

**Payment in Error**

If for any reason we make payment in error, we may recover the amount we paid.

**Notice**

If a specific address has not been provided elsewhere in this summary plan description, you may send any notice to Wellmark’s office:

Wellmark Blue Cross and Blue Shield
1331 Grand Avenue
Des Moines, IA 50309-2901

Any notice from Wellmark to you is acceptable when sent to your address as it appears on Wellmark’s records or the address of the group through which you are enrolled.

**Submitting a Complaint**

If you are dissatisfied or have a complaint regarding our products or services, call the Customer Service number on your ID card. We will attempt to resolve the issue in a timely manner. You may also contact Customer Service for information on where to send a written complaint.
Glossary

The definitions in this section are terms that are used in various sections of this summary plan description. A term that appears in only one section is defined in that section.

**Accidental Injury.** An injury, independent of disease or bodily infirmity or any other cause, that happens by chance and requires immediate medical attention.

**Admission.** Formal acceptance as a patient to a hospital or other covered health care facility for a health condition.

**Amount Charged.** The amount that a provider bills for a service or supply or the retail price that a pharmacy charges for a prescription drug, whether or not it is covered under this group health plan.

**Benefits.** Medically necessary services or supplies that qualify for payment under this group health plan.

**BlueCard Program.** The Blue Cross and Blue Shield Association program that permits members of any Blue Cross or Blue Shield Plan to have access to the advantages of PPO Providers throughout the United States.

**Compounded Drugs.** Compounded prescription drugs are produced by combining, mixing, or altering ingredients by a pharmacist to create an alternate strength or dosage form tailored to the specialized medical needs of an individual patient when an FDA-approved drug is unavailable or a licensed health care provider decides that an FDA-approved drug is not appropriate for a patient’s medical needs.

**Creditable Coverage.** Any of the following categories of coverage:
- Group health plan (including government and church plans).
- Health insurance coverage (including group, individual, and short-term limited duration coverage).
- Medicare (Part A or B of Title XVIII of the Social Security Act).
- Medicaid (Title XIX of the Social Security Act).
- Medical care for members and certain former members of the uniformed services, and for their dependents (Chapter 55 of Title 10, United States Code).
- A medical care program of the Indian Health Service or of a tribal organization.
- A state health benefits risk pool.
- Federal Employee Health Benefit Plan (a health plan offered under Chapter 89 of Title 5, United States Code).
- A State Children’s Health Insurance Program (S-Chip).
- A public health plan as defined in federal regulations (including health coverage provided under a plan established or maintained by a foreign country or political subdivision).
- A health benefits plan under Section 5(e) of the Peace Corps Act.

**Domestic Partner.** An unmarried person who has signed an affidavit of domestic partnership with the plan member.

**Extended Home Skilled Nursing.** Treatment provided in the home by a registered (R.N.) or licensed practical nurse (L.P.N.) who is associated with an agency accredited by the Joint Commission for Accreditation of Health Care Organizations (JCAHO) or a Medicare-certified agency that is ordered by a physician and consists of four or more hours per day of continuous nursing care that requires the technical proficiency and knowledge of an R.N. or L.P.N.

**Group.** Those plan members who share a common relationship, such as employment or membership.
**Group Sponsor.** The entity that sponsors this group health plan.

**Illness or Injury.** Any bodily disorder, bodily injury, disease, or mental health condition, including pregnancy and complications of pregnancy.

**Inpatient.** Services received, or a person receiving services, while admitted to a health care facility for at least an overnight stay.

**Maintenance.** An industry-wide classification for prescription drug treatments to control specific, ongoing health conditions.

**Medical Appliance.** A device or mechanism designed to support or restrain part of the body (such as a splint, bandage or brace); to measure functioning or physical condition of the body (such as glucometers or devices to measure blood pressure); or to administer drugs (such as syringes).

**Medically Urgent Situation.** A situation where a longer, non-urgent response time to a pre-service notification could seriously jeopardize the life or health of the benefits plan member seeking services or, in the opinion of a physician with knowledge of the member’s medical condition, would subject the member to severe pain that cannot be managed without the services in question.

**Medicare.** The federal government health insurance program established under Title XVIII of the Social Security Act for people age 65 and older and for individuals of any age entitled to monthly disability benefits under Social Security or the Railroad Retirement Program. It is also for those with chronic renal disease who require hemodialysis or kidney transplant.

**Member.** A person covered under this group health plan.

**Nonparticipating Pharmacy.** A pharmacy that does not participate with the network used by your prescription drug benefits.

**Out-of-Network Provider.** A facility or practitioner that does not participate with either Wellmark or any other Blue Cross or Blue Shield Plan. Pharmacies that do not contract with our pharmacy benefits manager are considered Out-of-Network Providers.

**Outpatient.** Services received, or a person receiving services, in the outpatient department of a hospital, an ambulatory surgery center, or the home.

**Participating Pharmacy.** A pharmacy that participates with the network used by your prescription drug benefits.

**Participating Providers.** These providers participate with a Blue Cross and/or Blue Shield Plan in another state or service area but not with a preferred provider program. Pharmacies that contract with our pharmacy benefits manager are considered Participating Providers.

**Plan.** The group health benefits program offered to you as an eligible employee for purposes of ERISA.

**Plan Administrator.** The employer or group sponsor of this group health plan for purposes of the Employee Retirement Income Security Act.

**Plan Member.** The person who signed for this group health plan.

**Plan Year.** A date used for purposes of determining compliance with federal legislation.

**PPO Provider.** A facility or practitioner that participates with a Blue Cross or Blue Shield preferred provider program.

**Services or Supplies.** Any services, supplies, treatments, devices, or drugs, as applicable in the context of this summary plan description, that may be used to diagnose or treat a medical condition.

**Specialty Drugs.** Drugs that are typically used for treating or managing chronic illnesses. These drugs often require special handling (e.g., refrigeration) and administration. Some specialty drugs may
be taken orally, but others may require administration by injection, infusion, or inhalation. Specialty drugs may not be available from a retail pharmacy.

**Spouse.** A man or woman lawfully married to a covered member.

**Urgent Care Centers** are classified by us as such in Iowa or South Dakota if they provide medical care without an appointment during all hours of operation to walk-in patients of all ages who are ill or injured and require immediate care but may not require the services of a hospital emergency room. For a list of Iowa or South Dakota facilities classified by Wellmark as Urgent Care Centers, please see the Wellmark Provider Directory.

**We, Our, Us.** Wellmark Blue Cross and Blue Shield.

**You, Your.** The plan member and family members eligible for coverage under this group health plan.
