Submit a separate personal statement (~500-1000 words) which addresses the following questions:

How does this program relate to your professional and personal goals?

Why are you interested in this particular region/placement area?

What personal strengths/weaknesses do you bring to this program?

How will you incorporate this experience into the rest of your time at Cornell?

Do you have previous experience traveling overseas and/or working on service projects?

Request a letter of recommendation (see form) from your academic advisor or another faculty member familiar with your interests and abilities. These recommendation forms must be submitted directly to the Office of International and Off-Campus Studies.

I certify that I am in good academic and disciplinary standing with the College.

Student Signature: _____
