**SCHEDULE OF ORAL REPORTS**

**Note Changes**

**Note:** You are to prepare a written evaluation for one presentation per class period except the class period in which you give your own report. If you are number one for your session, you are to evaluate every other number one. If you are number two, you will evaluate all number twos, etc. **The exception is that those students whose name are marked with \* will evaluate Josh. Josh will evaluate them plus any person of his choosing Wednesday morning.** Please give attention to the advice in the syllabus about good reports both in giving your report and in evaluating the reports of others. Evaluations are due at the completion of each class session. A form will be provided.
