

ENVIRONMENTAL STUDIES

Note: These requirements apply to anyone declaring a major or minor in ENV during 2010-2011 or later. Those who declare ENV prior to 2010-2011 should follow our earlier set of requirements.

Checklist approved by ENV March 28, 2012.

This document is a tool approved by the department as a complete and accurate checklist for 2014 graduates. Students who are meeting requirements with other courses than listed below must ask their advisor to file the waiver/substitution form (<http://www.cornellcollege.edu/registrar/gb-resources-faculty>). Students are expected to complete the major and minor requirements that were in effect at the time of Spring registration for their second year of courses. Transfer students who are admitted with sophomore or higher standing satisfy the requirements in effect when they begin their first course at Cornell. Students who have withdrawn from Cornell and are later readmitted follow the requirements in effect at the time of their readmission. Exceptions may be made by the department concerned in response to the student's petition, provided that such changes are feasible for and agreeable to the department.
