

ANTHROPOLOGY

This document is a tool approved by the department as a complete and accurate checklist for 2015-2016 Catalogue. Students who are meeting requirements with other courses than listed below must ask their advisor to file the waiver/substitution form (<http://www.cornellcollege.edu/registrar/gb-resources-faculty>). Students are expected to complete the major and minor requirements that were in effect at the time of Spring registration for their second year of courses. Transfer students who are admitted with sophomore or higher standing satisfy the requirements in effect when they begin their first course at Cornell. Students who have withdrawn from Cornell and are later readmitted follow the requirements in effect at the time of their readmission. Exceptions may be made by the department concerned in response to the student's petition, provided that such changes are feasible for and agreeable to the department.

Anthropology Teaching Certification: An individualized major in Anthropology, which includes at least eight course credits in Anthropology. In addition to the foregoing requirements, prospective teachers must also apply for admission to the Teacher Education Program (preferably at the start of their sophomore year) and complete coursework leading to secondary certification described under *Education*. Prospective teachers should request a current list of the specific course requirements from the Education Office.

Second Teaching Area in Anthropology: The following program in conjunction with *teaching certification* in Economics and Business, History, Politics, Psychology, or Sociology will enable the student to apply for certification to teach both the major subject and Anthropology: four course credits in Anthropology approved by the chair of the Department.
