

BMB

This document is a tool approved by the department as a complete and accurate checklist for 2016-2017 Catalogue. Students who are meeting requirements with other courses than listed below must ask their advisor to file the waiver/substitution form (<http://www.cornellcollege.edu/registrar/gb-resources-faculty>). Students are expected to complete the major and minor requirements that were in effect at the time of Spring registration for their second year of courses. Transfer students who are admitted with sophomore or higher standing satisfy the requirements in effect when they begin their first course at Cornell. Students who have withdrawn from Cornell and are later readmitted follow the requirements in effect at the time of their readmission. Exceptions may be made by the department concerned in response to the student's petition, provided that such changes are feasible for and agreeable to the department.

Major: A minimum of 13 course credits (12 if CHE 161 taken) in Biology and Chemistry:

	Completed	To Be Completed
1. BIO 141	_____	_____
2. BIO 142	_____	_____
3. BIO 205	_____	_____
4. BIO 315	_____	_____
