

## Directions for approving Instructor Permission Requests in Self-Service

- 1- You will receive an email from the student requesting permission. The subject line will indicate "Request for permission to register for XXXXX."
- 2- Go to Self Service and click on the Classes Tab. Then click on Enrollment.

- 3- In the Enrollment section click on Permission Requests on the left hand nav bar, then click on the year and click on the course for which the student is requesting permission.

- 4- Once you have clicked into the selected course, you will see the name of the student(s) awaiting permission. On the far right is the Status column. Use the drop down menu to either Approve or Deny their request. Then click Save.
