

PROPOSAL FOR SUMMER INDIVIDUAL PROJECT

- To receive course credit for a Summer Individual Project, this form must be completed, signed by your faculty sponsor and department chair, and returned to the Registrar's Office *before you leave campus for the summer*. You must allow enough time (at least three class days) to receive written confirmation in your campus mailbox of whether or not your proposal was approved.
- Credit for a Summer Individual Project is available only to students who have completed 14 term credits prior to the summer.
- No more than one course credit may be earned in any one summer, and not more than two course credits of Summer Individual Project may be counted toward a student's Cornell degree.
- Please note that a maximum of four course credits earned in Individual Projects, Group Projects, Internships, Summer Internships, and Summer Individual Projects may be counted toward the minimum 32 credits required for the B.A. or B.Mus. degree. A maximum of two course credits in these areas may be counted toward the nine course credits required at the 300 level for the B.A. or B.Mus. degree.
- Consult the *Cornell College Catalogue* ("All-College Independent Study Courses") for general requirements, policies, and limits governing credit for Summer Individual Project.
