Re: Use of Cornell Sports Facilities – Hilltop Fitness Club

Cornell makes our athletic facilities available to area residents for a fee. However, faculty and staff and their families will be welcome to use the facilities at no cost during designated hours. All using the facility are requested to present a Hilltop Membership card or faculty/staff identification card.

Upon request, we will prepare membership cards for employee family members wishing to use the facility. However, due to the cost and time involved in preparing these cards and establishing records, we would appreciate receiving requests only from those individuals who will indeed be utilizing the facilities. Requests may be made at any time during the year.

Please complete the lower portion of this page and return to the HR office. Employees may use their Cornell Identification Card for access to the facilities. For any listed dependents, we will have Hilltop prepare the membership cards and return them to the employee through campus mail.
