RESEARCH & INTERNSHIP EXPERIENCE

The Chicago Field Museum of Natural History, Chicago, IL

Integrative Research Center Intern (February 2018-March 2018, May 2018-July 2018)

- Organized, coded, and analyzed project data for the UIC/Field Museum Urban Gardens Project, which analyzes the social, cultural, and physical benefits of community green spaces in an urban setting.
- Conducted fieldwork and informal interviews with research participants at local community gardens.
- Created and maintained qualitative databases on Dedoose for the Urban Gardening Project.
- Completed transcriptions and research for the Community Outreach, Native American Curatorial, and Environmental Anthropology Departments.
- Attended professional lectures and presentations sponsored by The Field Museum.
- Trained incoming intern on project details regarding fieldwork, data collection, and coding analysis.

Cornell Summer Research Institute, Mt. Vernon, IA

Student Researcher, Database Manager (May 2017-July 2017)

- Conducted interviews with service providers and homeless youth in Cedar Rapids to assess service gaps for LGBTQ+ homeless youth in the community.
- Gained a greater understanding of the Institutional Review Board approval process and became certified for research by the IRB.
- Managed, organized, and coded data collected by all student researchers in MaxQDA database.
- Analyzed and presented findings in a poster presentation to both the Cornell Summer Research Institute and service providers during a Cedar Rapids' Continuum of Care meeting.

Cornell College Biology Department, Mt. Vernon, IA

Teaching Assistant for "Food & Sex: Evolutionary Perspectives" (upcoming February 2019-March 2019)

- Gain experience teaching, tutoring, organizing, and facilitating discussion in a classroom setting.
- Become familiar with specimen processing, mounting, and organization in the Cornell College herbarium.
- Conduct research on topics of botany and evolution that are relevant to the field of Medical Anthropology.

LEADERSHIP & SERVICE EXPERIENCE

National Collegiate Honors Society for Anthropology (Lambda Alpha), Mt. Vernon, IA

President (April 2018-present)

- Lead monthly meetings with society members
- Collaborate with additional board members to organize initiations, assembly, and future involvement.

Cornell Office of Civic Engagement, Mt. Vernon, IA

Alternative Spring Break Co-Leader (May 2017-Present)

- Organized, budgeted, and led fellow students on a home-building service trip to the Cheyenne River Sioux Reservation in Eagle Butte, SD.
- Led weekly informational sessions on cultural awareness, travel plans, and trip expectations for group members.

Alternative Spring Break Participant (October 2016-May 2017)

CV Example

- Volunteered on a Native American reservation in Pine Ridge, SD for a 1-week service trip with a non-profit organization to provide services and improve living conditions for native residents.
- Completed extensive diversity training, readings, and 50 hours of fundraising activities prior to participation.
- Presented a detailed overview of 2016 work and related experiences at Student Symposium.

Cornell Athletics Department, Mt. Vernon, IA

Captain (August 2017- Present)

Varsity Volleyball Team Member (August 2015-Present)

- Serve as Floor Captain during matches, participate in regular leadership meetings, volunteer and fundraise for various charitable foundations, and volunteered abroad in Costa Rica (Summer of 2018) to perform service.
- Organized and lead team diversity and inclusion sessions to prevent bullying and promote team building.
- Selected by team members to represent their voices in weekly leadership meetings with coaching staff.
- Earned various 2017 and 2018 accolades for athletic and academic achievements (refer to Awards and Honors).
- School Record Holder for Total Assists Per Set

FIELD SCHOOL/OFF-CAMPUS STUDY

Office of the State Archaeologist, Iowa, USA

Field School: Introduction to Archaeological Field Methods (August 2018-September 2018)

- Accumulated knowledge regarding introductory archaeological field methods, theory, and history in Iowa.
- Gained archaeological fieldwork experience at the suspected Rummells-Maske Archaeological Site.

Archives Assistant (upcoming February 2019-March 2019)

- Gain experience in source cataloguing, bibliographic data entry, document/artifact recording and maintenance.

Cornell Anthropology Department, New Providence & San Salvador, Bahamas

Anthropology of Tourism (February 2017-March 2017)

- Studied many of the complex social, cultural, political and economic forces that shape tourism and post-hurricane rebuilding.
- Broke down complex academic journal articles into thesis, main points, and supporting evidence.
- Conducted and presented independent community research on tourism's effect on bush medicine practices.
- Articulated important methodological, theoretical, and ethnographic contributions of key anthropologists.

AWARDS AND HONORS

- Ringgenberg Fellow in Anthropology (2018)
- Paul Maaske Scholar-Athlete Award (2018)
