TEACHING EXPERIENCE

Lisbon High School, Lisbon, IA

Student Teacher 7th Grade English, August 2017- November 2017

- Created a dynamic and interactive classroom environment for learning by establishing a classroom culture which values collaboration and mentoring
- Created Unit Plan focusing on "The Outsiders" – major themes: diversity, identity, interpretation of motives, and self-analysis and comparison to a character in the novel.
- Fostered community within diverse classroom settings by exploring commonalities and difference in cultures
- Facilitated collaboration and discussion, both small group and whole class by using open ended inquiry
- Utilized intervention blocks to reteach key concepts and work one-on-one with students
- Communicated with parents to address student concerns and acknowledge successes
- Collaborated with coordinating teacher to create and implement lesson plans and class activities

PRACTICUM EXPERIENCE

Southeast Jr. High School, Iowa City, IA
