

TEACHER EDUCATION PROGRAM

This document is a tool approved by the department as a complete and accurate checklist for 2017-2018 Catalogue. Students who are meeting requirements with other courses than listed below must ask their advisor to file the waiver/substitution form (<http://www.cornellcollege.edu/registrar/gb-resources-faculty>). Students are expected to complete the major and minor requirements that were in effect at the time of Spring registration for their second year of courses. Transfer students who are admitted with sophomore or higher standing satisfy the requirements in effect when they begin their first course at Cornell. Students who have withdrawn from Cornell and are later readmitted follow the requirements in effect at the time of their readmission. Exceptions may be made by the department concerned in response to the student's petition, provided that such changes are feasible for and agreeable to the department.

Whether a candidate for the B.A., B.Mus., or B.S.S. degree, every teacher education major must complete the following requirements. **Students pursuing a BSS must consult with the Education Department to make sure they are meeting the general education requirements of the State of Iowa for licensure.**

	Completed	To Be Completed
A college-level course in mathematics or statistics	_____	_____
