

PROCEDURE FOR READMISSION

To apply for readmission to Cornell College, please email registrar@cornellcollege.edu and attach a letter stating the following in detail:

- how you spent your time away from Cornell;
- why you want to return, and (if you have been suspended from the College) why you believe you are now equipped to be successful;
- your intended major and career plans;
- what block you intend to return;
- your housing preference (readmitted students are subject to residency requirements; if you have a residence hall preference, please list it).

In addition, you must mail the following items (as appropriate to your situation):

- Check for \$300 (readmission/enrollment) fee, payable to "Cornell College"*;
- Transcript(s) of all courses taken after you left Cornell;
- Payment of the balance due, if any, on your Cornell account.

These items may be mailed to the following address:

Registrar's Office
600 First Street SE,
Mount Vernon, Iowa 52314

Once your completed application is received, it will be reviewed by the Academic Standing Committee. You may expect to receive an answer within two or three weeks. You should, therefore, submit all your application materials at least one calendar month before the start of the term for which you wish to return.

If your return is conditional upon obtaining financial aid through Cornell, please contact a member of the Financial Assistance team at financial_assistance@cornellcollege.edu before applying for readmission.

Please understand that any arrangements that may be discussed concerning registration, financial aid, or campus housing before you receive official notice of the decision of the Academic Standing Committee are tentative and in no way a guarantee or promise of readmission.

If you have questions, please telephone 319-895-4372 or email registrar@cornellcollege.edu

* \$200 of the readmission enrollment fee is refundable upon your graduation from Cornell. It is not otherwise refundable unless the Academic Standing Committee denies you readmission to Cornell.
