Submission of this form represents the undersigned student's agreement to enroll in a payment plan for rent payments for the summer housing period of 2025. Payment dates represent rent paid upfront for that month. Full summer dates and amounts are predetermined below. The variable date option is available for students staying less than the entire summer (charges will still be calculated weekly).

Summer housing rent is due monthly. All students must submit their summer housing rent payment for the first month by May 12, 2025. Students who select the variable date option and will be leaving campus before June 2, 2025 must pay their summer housing rent payment in full by the May 12, 2025 deadline. Students staying into June will have their rate broken into two payments, with half the total due May 12, 2025 and half due June 2, 2025. Students staying into July or August will have their rate broken into three payments, with one-third the total due May 12, 2025, one-third due June 2, 2025 and one-third due July 1, 2025. Any additional charges will be due on the date of final payment.

By signing this statement, I acknowledge the above-stated due dates. I understand that I am responsible for making these payments online by the due date or by submitting a check to Business Services, Third Floor, Old Sem, on or before the stated due date. I understand that it is important that payments are made in a timely manner, and that failure to do so could jeopardize my course enrollment for August, and also lead to immediate removal from summer housing.
