### **Eligibility**

All students returning to Cornell for the next academic year are eligible to sign up for housing in the suites and apartments. Apartment and suite-style living offers more independent living options for students and requires a high level of maturity. Therefore, these options are not made available to students whose disciplinary records indicate they are not ready for this arrangement. Generally, this means no conduct violations for the past year. This also means that students who are found responsible for violating a College policy while living in Cornell suites or apartments are at risk for being removed from that living environment. Students who sign the lottery form give their consent for the Residence Life Office to review their conduct history at Cornell College.

### **Selection Process**

Each group will preference a first, second and third choice of living options (and may leave second or third choice blank if the group is not interested in those options). The suites will be granted to the groups with the highest average number of points: 3 points for each senior, 2 points for each junior and 1 point for each sophomore (refer to the room selection status information online for details on how those are determined). Each group will draw a number in case there is a tie for points (lowest number is best).

- Groups of four interested in living only in one suite in Russell Hall as a group of four will draw one number.
- Groups of eight interested in living two suites in Russell Hall as first choice and 10th Avenue Apartments or Smith Hall as a second option will draw two numbers: one for Russell Hall Suite 1 and one for Russell Hall Suite 2. The number drawn for Suite 1 will be used for the 10th Avenue or Smith Hall lottery if the two groups of four are not selected to live in Russell Hall.
- Groups of eight interested in living only in 10th Avenue Apartments or Smith Hall will draw 1 number that will be used.
- Groups of eight interested in living in 10th Avenue Apartments or Smith Hall as first choice and interested in Russell Hall as second choice will draw 2 numbers: one for 10th Avenue Apartments/Smith Hall/Russell Hall Suite 1 and one for Russell Hall Suite 2.

### **Meal plans and housing rates**

It is a requirement that all students living in Russell Hall or Smith Hall participate in the full board plan (14 or 20 meals per week). Those students living in 10th Avenue Apartments also have the option to choose 7 meals per week. All rooms are billed at the rate set by the College. A student living in a single in a Russell suite or a single in an apartment will be billed the single room rate.

### **All-gender housing**

Residence Life recognizes that traditional housing options do not meet all students' needs, in particular regarding a student's gender identity or gender expression. Students interested in entering into Russell Hall, Smith Hall or 10th Avenue Apartments in an all-gender group must also complete the All-Gender Housing Request Form (available at <http://www.cornellcollege.edu/residence-life/housing/room-selection/all-gender-housing.shtml>).
