

# Summer Housing Application

Residence Life Office

## Description

Summer housing will be located in Tarr Hall. Tarr houses a maximum of 63 students in double rooms. The first floor has a mix of lounge spaces, a performance stage, study rooms and a full kitchen. The upper floors each have a microwave nook near the bathrooms. All rooms are air-conditioned. Room placement will be determined by gender designation availability, fall placement and roommate preferred. The Office of Residence Life will work towards meeting preferences indicated below but it will not be possible in all cases.

Additional reminders:

- Meal plans: Student meal plans end with breakfast on Thursday, May 10 and resume with lunch on Saturday, August 25.
- Mail: Students should contact the Mail & Service Center to ensure that their mail continues to be delivered to their campus box.
- Parking: All students with a vehicle staying on campus over the summer must have their vehicle registered with Campus Safety and moved to the designated parking lot(s).
- Billing: On or around May 4, students will be billed for the full cost of summer housing unless they work directly with Student Accounts (3rd floor, Old Sem) to establish a payment plan.
- Roommates: No single occupancy rooms are available, and so all summer residents will have a roommate). Roommates must be on the same length of stay (that is, a student here the entire summer can only room with another student here all summer; a student here for 8 weeks can only room with another student here for 8 weeks).
