Summer Housing Application - Residence Life Office

Description
Summer housing will be located in Pauley-Rorem Hall. A neighboring hall will be used for students needing mobility accommodations. Pauley-Rorem Hall houses a maximum of 144 students in double rooms. The first floor has a mix of lounge space, game equipment, televisions, family-style tables and seating, and study rooms. The upper floors each have a microwave nook near the bathrooms. Both the east and west side have a full kitchen on the third floor. All rooms are air-conditioned. Room placement will be determined by gender designation availability, fall housing assignments and roommate preferences. The Office of Residence Life will work towards meeting preferences indicated below but it will not be possible in all cases.
